

## Ruling elite running around like headless chickens as coronavirus scam falls apart

By Benj

By

now, even the most brainwashed of the sheeple realize something is very wrong with their government (govern=control, ment=mind). It is also clear that the attempt to use a fake pandemic to impose martial law is backfiring as it has provided a perfect cover for military and agency White Hats to hunt down the Satanists who hijacked Western governments.

"See lists of coronavirus-infected politicians and celebrities in the United States, England, France, and more! Over 70% of them are Jews !!" an FSB source noted. He is almost right, but they are not Jews, they are Satanists. Also, they are not being infected by the provably fake virus. Instead, they are being arrested and/or executed.

If you do still think this pandemic is real, go visit a hospital and see for yourself that it is not. Or take note of the fact the president of Tanzania sent samples from fruit, goats, and other random things and they all tested positive for this so-called coronavirus. <https://nypost.com/2020/05/06/faulty-coronavirus-kits-suspected-as-goat-and-fruit-test-positive-in-tanzania/>

People who still have a hard time wrapping their heads around the fact that Satan worshippers took control of the West, need to look at a few recent news items that prove it is true. For example, the people of Israel, for some unfathomable reason, have yet again made Satanist Benjamin Netanyahu their Prime Minister. One of the first things he did was call for children to be micro-chipped with "mark of the beast" identifiers. Last week Netanyahu said:

"I spoke with our heads of technology in order to find measures Israel is good at, such as sensors. For instance, every person, every kid – I want it on kids first – would have a sensor that would sound an alarm when you get too close, like the ones on cars." <https://www.jpost.com/israel-news/benjamin-netanyahu-suggests-to-microchip-kids-slammed-by-experts-627381>

Then you have the U.S. Congress passing a bill with the Satanic number 6666 calling for government doons to forcibly enter

... peoples' houses, test people for the fake coronavirus, and take their kids away if they test "positive." You can't make this stuff up. <https://www.congress.gov/bill/116th-congress/house-bill/6666?s=1&r=2>

We are also getting mind-blowing intelligence sent to us about the Satanic ruling Western bloodlines who have been staging world wars and other horrific events as part of their plan for total world conquest. For example, we have now confirmed that Adolph Hitler was the grandson of...

Queen Victoria of England. We confirmed the story we were sent about this (details at the links below) with a European royal and MI6 British intelligence.

The story is as follows: In 1868, after the death of her husband Albert, Queen Victoria went to the "British Crown Colony of Switzerland" with a Mr. "John Brown," who was from the Stuart bloodline (same as Princess Diana).

There she gave birth on August 24th to Klara Hanover.

Klara was educated by the Jesuits and was fluent in English, French, and German.

When she grew up, Klara Hanover was impregnated by gung-ho British imperialist Houston Steward (Stuart) Chamberlain.

In 1889, Chamberlain arranged a marriage between Klara and a man named Alois Hitler. He became the surrogate father of baby Adolf. Chamberlain was also the ghostwriter for Adolf's *Mein Kampf*.

Now get this, one of her descendants was Pamela Digby Churchill—the mother of Hillary Digby Churchill Clinton! <http://www.reformation.org/victoria-and-adolf-hanover.html>

<http://www.reformation.org/queen-victoria-unmasked-at-last.html>

Here is what a senior MI6 source had to say about this:

"Yes. The House of Hannover like all European Imperial and Royal House are what is commonly referred to as the Venetian Nobility. There are abundant forensic materials available on all of this. The Moscow State University 'Chronologia' is probably the most authoritative."

Remember the rulers of civilization are those who control the narrative and therefore the timeline.

Bear in mind also Khazarian Mafia infiltrated and corrupted all of Europe and Russia hence the prevalence of Satanism etc. The Rothschild dynasty [Saxe Gotha Hanover], like many, are deeply Satanic and espouse a bastardized version of Luciferianism which is a theosophical expression etc. Really what it means is all warfare is

a philosophical expression, etc. Really what it means is an warfare is blood sacrifice etc.

These are the people whose private United States of America Corporation went bankrupt on February 16th. They are thus now using the "Pandemic" to try to reassert control.

The fact that all this top-secret information is coming out now is the real reason why Queen Elizabeth is in de-facto home imprisonment at Windsor Castle, MI6 sources say. <https://www.the-sun.com/news/808922/queen-unsafe-in-public-for-years-coronavirus/>

<https://www.dailymail.co.uk/news/article-8305827/Queen-NEVER-return-frontline-duties-Monarch-94-remain-quarantined-Windsor.html>

In the newly liberated Republic of the United States of America, Pentagon sources tell us that as "Tens of thousands of children were rescued from tunnels, [General] Mike Flynn was exonerated and may get his job back [as Trump's National Security Adviser]."

"Trump met with military leaders at the white house on May 9th right after VE Day. It appears that Flynn, Steve Bannon, General John Kelly, and others may have never really left the White House," the sources say. "The Coast guard chief was there instead of a navy chief because of the war against drug cartels," they note. However, there may be more to the story than what we see on the surface because the royalist Navy is loyal to the Anglo Saxon five eyes alliance.

In any case, Secretary of State Mike Pompeo "got his marching orders on Israel and China in the Spirit of the Elbe" the Pentagon sources add, and was sent to Israel to read the riot act to the government there.

The U.S. has removed patriot missiles from Saudi Arabia and pulled troops out of the Sinai desert near the Israeli border with Egypt, they say. This coincides with major Saudi military losses in Yemen after former ally the United Arab Republic turned against the Saudis, CIA sources note.

The Pentagon sources also note there is a global condemnation of Israeli plans to annex the West Bank and these are likely to be followed by EU sanctions. The other thing they noted is that Iraq has a new Prime Minister who was a former intelligence chief.

The Pentagon is also forcing Israel to cancel a water desalination plant with Hutchison Whampoa owned by Chinese billionaire Li

Kashing. This coincides with "cyber-attacks against Israeli water plants that may or may not come from Iran."

The overall pictures seem to be the Israeli/Saudi alliance is falling apart and Egypt, together with other Sunni states, may assert control over the region up to the Turkish and Iranian borders as part of a secret Russian/Pentagon agreement. It is a good guess Saudi Arabia will not survive much longer as a family-owned slave country. Also, without U.S. support, Israel will have no choice but to sue for peace.

We are also now hearing from Russian FSB sources that the "Russian Federation" (D-U-N-S © Number 531298725) is a "criminal private Rothschild-Barucho-Rockefeller Trade Corporation, registered in the UK. They are also owners of the "Putin" trademark. Until he was recently killed, the executive director of this private company was Dmitry Anatolyevich Medvedev.

Now though, our FSB sources note:

"Russian diplomats encountered a problem while trying to get into the UN Security Council building – the recently launched electronic pass system did not accept their documents and demanded they present Soviet passports. The technical service of the Security Council explained that they consider the incident a "case", but not a mistake. The new electronic system is entirely based on international legal documents, including the UN Charter.

According to the UN Charter, such states as China, France, the Soviet Union, Great Britain, and the United States of America are permanently included in the Security Council."

The battle for Russia is still not over and Putin© is busy pushing the coronavirus scam in Russia in a desperate bid to retain control for his Satanic masters.

The Pentagon sources for their part seem to be claiming victory and say "Treasury Secretary Stephen Mnuchin will coordinate the global currency reset."

Of course, since the U.S. is the worlds' greatest debtor nation after running trade and budget deficits for over 40 years, they are in no position to dictate such a reset. For this, they will need to strike a deal with Japan, the worlds' greatest creditor nation.

Japan, however, remains a Rothschild colony under slave Prime Minister Shinzo Abe. For this reason, a joint U.S./Japanese military move to remove the Abe slave administration is a necessary precondition for the GCR.

A call has been put out to accomplish this on May 15<sup>th</sup>, by occupying the Prime Ministers' residence, the Parliament, the NHK national broadcasting corporation and the Bank of Japan. Following this, an emergency government will need to be set up.

This government will have to announce to the Japanese people and to the world that Fukushima was a Rothschild sponsored mass murder attack. They will also need to blow a lid on the fake pandemic being used now to try to subdue the Japanese people.

Once the Khazarian mafia occupation government is removed, Japan will be able to rebuild the extremely successful economic system it pioneered after WWII. This will allow for double-digit economic growth and a baby boom.

The West, especially the United States will also be able to rebuild their hollowed-out industrial infrastructure by adopting and improving a similar economic management system.

We are hoping the secret space program people will be able to help jump-start this process by sharing some of their futuristic technology with the rest of the world.

The Satanists, of course, will not go quietly into the night and we need to prepare against electromagnetic attacks, nuclear terror, information warfare, more bio-weapons, and other mayhem.

Despite all this, rest assured the good guys will fight with overwhelming force until the planet Earth is liberated from thousands of years of cruel Satanic occupation.

## **Will the Scamdemic flush out the Secret Space Force?**

By [Benjamin Fulford](#) [Weekly Reports](#) [745 Comments](#)

Although there may seem to be a stalemate on the surface as the battle for Planet Earth rages on, something huge is coming, multiple U.S. government-linked sources agree. The secret space program is about to be unveiled, NSA sources say. For their part, NASA sources say some sort of anomaly is "affecting the very fabric of reality." The U.S. military is also now in full war-time mode with over 1 million reservists being called up. As a result, the list of missing celebrities, billionaires, and politicians keeps growing as a massive

purge of Satanists continues.

As the real criminals are being rounded up, the bankruptcy of the U.S. corporation is now leading to the mass release of mostly non-violent offenders. While many law and order advocates are raising alarm bells, the fact is the U.S. has been operating a massive prison slave labor gulag. <https://www.mystateline.com/news/local-news/illinois-releases-146-sex-offenders-including-3-sexually-dangerous-persons-convicted-in-winnebago-ogle-counties/>

Americans are 20 times more likely to end up in jail than Chinese. For example, an African American friend says her brother was jailed simply because his hair tested positive for marijuana. This is but one of countless examples of the ruling cabal using any pretext to gather up prison slave labor. A colleague in Singapore has seen U.S. bonds backed by prison slave labor being sold to investors in the Far East. Let that sink in: the U.S. government has been selling slave-labor backed bonds to the Chinese.

The bankruptcy of the corporation is now shutting down this gulag. Only the truly dangerous criminals need to be kept in jail in the present circumstances. Maybe setting up a system of gang-controlled prison reserves might be the way to go forward on this?

The sheeple meanwhile, hunkering down in their homes, are very slowly beginning to realize their current government is composed of criminals and liars.

Many traditional news outlets are now waking up to this reality. The New York Post, for example, is reporting that Bill Gates may have created the coronavirus in order to microchip people. The NSA is saying the same thing, as crazy as it sounds. <https://nypost.com/2020/04/13/roger-stone-bill-gates-may-have-created-coronavirus-to-microchip-people/>

The vaccine industry is being busted big time and people will be horrified when they learn what trusted medical officers have been doing to them. <https://c-vine.com/blog/2020/04/24/who-cdc-gates-defunded-criminal-war-crime-trials-vaccine-fraud/>

The rabbit hole runs deep and there can be no doubt a family mafia has been running the Western world like a giant slave ranch for thousands of years going back to Babylon.

The Russians have been hysterically attacked because they were able to pinpoint the leadership of this mafia. The photographic evidence below, for example, is just part of a mass of proof that shows Adolf Hitler's children have been running much of the Western world since WWII ended.

Did you know Barack Obama's mother, a criminal wanted by the FBI, was according to the Russians...

a daughter of Adolf Hitler? His father, Frank Marshall, was an American communist agent. Here is a picture of the FBI wanted poster and agency file photo for Obama's mother.

These other photos sent by the Russians may help you wrap your head a bit around the enormity of the lies we have been told since the end of WWII (if not longer). Before looking at them, please realize Hitler escaped Berlin on a plane to Norway before taking a submarine to Argentina. He lived to a ripe old age in Paraguay on a ranch that was subsequently bought by the Bush family. That is why many of his children were born long after the war ended.

The right-hand side photo we have posted before showing Adolf with his daughter Angela Merkel. To convince doubters we now add an official photograph on the left side of the young Angela for comparison purposes.

The next photo shows the family resemblance between Hitler's mother and Merkel.

Then we have Angela's maternal grandmother's photo (Eva Braun's mother).

**Gretl (left) and Fanny Braun (Eva & Gretl's mother)**

The following photo shows three of Hitler daughters who ended up in positions of power: Angela Merkel, Theresa May and Dalia Grybauskaitė, President of Lithuania

Here we can see the percentage of Jewish blood among top Nazis.

Merkel makes a fascist salute to Nazi Israeli leader Benjamin Netanyahu.

The release of evidence like this is part of an attempt to wake up the sheeple to the reality of their gangster government.

After the false-flag attack on 9/11/2001, the Nazis fulfilled their long-term plan of taking over the United States and turning it into a fascist puppet state. That is what is now being taken down by the White Dragon Society and its Western and Eastern allies.

Here is a summary of what is being uncovered (from Prepare for Change):

- The Governor of Michigan used to work for George Soros
- California Governor Gavin Newsom is Nancy Pelosi's nephew.
- Nancy Pelosi is Hitler's niece.
- Adam Schiff's sister is married to George Soros' son.
- John Kerry's daughter is married to a mullah's son in Iran.
- Hillary's daughter Chelsea is married to George Soros' nephew.
- ABC News executive producer Ian Cameron is married to Susan Rice, Obama's former National Security Adviser.
- CBS President David Rhodes is the brother of Ben Rhodes, Obama's Deputy National Security Adviser for Strategic Communications.
- ABC News correspondent Claire Shipman is married to Jay Carney, former Obama White House Press Secretary
- ABC News and Univision reporter Matthew Jaffe is married to Katie Hogan, Obama's former Deputy Press Secretary

Rhiane Rogan, Obama's former Deputy Press Secretary.

- ABC President Ben Sherwood is the brother of Elizabeth Sherwood, Obama's former Special Adviser.
- CNN President Virginia Moseley is married to Tom Nides, former Hillary Clinton's Deputy Secretary.

The White House, Senate and Congress lists go on and on...it's all one big cabal family club and you are not allowed anywhere near it! <https://prepareforchange.net/2020/05/03/governors-gone-wild/>

This is what the alliance is fighting against. These are some of the celebrities and politicians we are being told have already been arrested (it has yet to appear on an official Justice Department press release so think of it as provisional at this point):

Celebrities:

Seth Green, James Gunn, Dan Scheinder, Steven Spielberg, Tom Hanks, Steven Colbert, Jimmy Kimmel, Ashton Kutcher, Kevin Spacey, Kathy Griffin, Oprah Winfrey, Shawn Carter, Beyonce Knowles, Anthony Kiedis, John Legend, Chrissy Teigen, Jim Carrey, Steven Tyler, Ben Affleck, Stephen Collins, Will Ferrell, Aliaune Damala Badara Thiam (Akon), Marshall Matthers III, Jeffrey Jones, Victor Salva, Marc Collins Rector, Charlie Sheen, Tyler Grasham, Madonna Ciccone, Katheryn Hudson, Gwen Stefani, Stefani Germanotta, James Franco, Will Smith, Justin Roiland, John Cusack, Demi Moore, Brian Affleck, Meryl Streep, Wanda Sykes, Chelsea Handler, Michelle Wolf, David Yarovesky, Pharrell Williams, Quentin Tarantino, Robert Downey Jr, Courtney Love, Alec Baldwin, Johnny Depp, Brian Warner, Asia Argento

**Some Political Elites:**

Joe Biden, John McCain, Bob Menendez, John Podesta, Tony Podesta, Hillary Clinton, Bill Clinton, Chelsea Clinton, Jeff Flake, Bob Corker, Jacob Schwartz, Ed Murray, Barney Frank, Brock Adams, Mel Reynolds, Neil Goldschmidt, David Wu, Tony Mendoza, Anthony Weiner, Peter Strzok, Adam Schiff, Charles Windsor, John Kerry, Joe Scarborough, Andrew Cuomo, Justin Trudeau, Brian Stelter, Jake Tapper, Chris Cuomo, Pope Francis, Bill Richardson, Peter Soros, Prince Andrew, Barack Obama, Anderson Cooper, Sheila Jackson-Lee.

This group is still not going quietly into the night and it is clear they tried to kill us and scare us back into submission with the coronavirus "plandemic." It is also clear that for some reason, their bioweapon attack on the human race is being neutralized.

This Italian politician is one of the sheeple who is waking up to the fake nature of this pandemic as he fact-checked and found out the so-called coronavirus deaths were nothing of the kind: <https://fromrome.info/2020/04/25/italian-senator-sgarbi-denounces-the-statistical-fraud-on-covid-19/>

Here you can see the real causes of death, which are mostly heart attacks and cancer: <https://infogram.com/top-10-causes-of-death-striking-down-americans-1h7j4dpgnxod4nr>

The Chinese and the Russians though, are fully aware the U.S. regime has been trying to kill us all off with bioweapons. Check out these official statements:

"We took note of the statement made by the Russian Foreign Ministry ... **The United States has created many laboratories in the territory of the former Soviet Union**, which evokes serious public worries in the neighboring countries concerned," the Chinese Foreign Ministry Spokesman Geng Shuang on Wednesday (April 28)

The official Xinhua News Agency meanwhile said:

"Washington must respond to the concern that the belated and chaotic U.S. response has actually accelerated the spread of the virus to more places around the world."

This is as diplomatically close as they can come to blaming the U.S. for spreading the pandemic without an actual declaration of war. [http://www.xinhuanet.com/english/2020-05/04/c\\_139029131.htm](http://www.xinhuanet.com/english/2020-05/04/c_139029131.htm)

Since the bioweapon attack has turned out to be a dud, there is now a serious ongoing attempt by the cabal to kill us with electromagnetic weaponry.

This is getting close to home. Last week the veterinarian I take my dogs to approached me with a fascinating story. He said they did a 5G experiment at Zempukuji Park, which is close to my home in Western Tokyo:

"Birds started to fall out of the sky. I was called over and I took 3 dead pigeons back to my hospital and examined them. They all had ruptured lungs as if something had messed with the sodium ions in their bodies. Also, they all had symptoms identical to feline infectious peritonitis (a coronavirus that destroys the lungs of cats)". He said it was "not naturally

possible,” for pigeons to get a cat coronavirus.

Birds are apparently also dropping out of the sky in other places like Australia. <https://www.abc.net.au/news/2020-05-01/mysterious-virus-killing-lorikeets-in-queensland/12205888>

We have previously been told by Dr. Michael Meiring and others that HIV was created by taking a cat disease and mixing it with genes from African green monkeys and other nasty stuff to make it infectious to humans. <https://www.vet.cornell.edu/departments-centers-and-institutes/cornell-feline-health-center/health-information/feline-health-topics/feline-infectious-peritonitis>

These people need to be removed from all positions of power ASAP and this is exactly what is now happening. The final bastion of their control grid is the corporations and the banks. That is why the U.S. corporate government and its financial system need to be imploded.

One way this is being done is by collapsing the price of oil. The negative oil prices seen recently are driving the computer speculators out of the oil market. The same is being done for other commodities. The idea is to separate the financial speculators from real-world business.

The cabal is fighting back by trying to destroy people's livelihoods by shutting down the economy with the fake pandemic lockdown. This battle can be seen as the stock market rebounds (enriching the cabal) while the U.S. adds a record 30 million unemployed (impoverishing the people).

These Satanic rulers are so arrogant they still leave public signs of their activity, notably the number 666. For example, the FRB's balance sheet reached \$6.66 trillion on April 29<sup>th</sup> while Italy's crime rate fell 66.6% due to the lockdown. <https://www.federalreserve.gov/releases/h41/current/>

<https://www.zerohedge.com/geopolitical/italy-crime-drops-666-amid-lockdown-loan-sharks-focus-lasers>

As things now stand, the U.S. military is the only institution capable of dealing with the collapse of the Satanic U.S. Corporation. A total of 1,031,03 reserves are being called up to ensure basic survival items (food, shelter, and emergency medical care) are available to everyone as the system collapses. Efforts by the cabal to shut down meat processing plants are one example of where the military has stepped in already. You can confirm this by reading the executive orders below. <https://www.whitehouse.gov/presidential-actions/executive-order-ordering-selected-reserve-armed-forces-active-duty/>

<https://www.statista.com/statistics/232330/us-military-force-numbers-by-service-branch-and-reserve-component/>

<https://www.whitehouse.gov/presidential-actions/executive-order-delegating-authority-dpa-respect-food-supply-chain-resources-national-emergency-caused-outbreak-covid-19/>

The EU is also falling apart along with the U.S. and is breaking up into its component states. <https://www.rt.com/news/487421-netherlands-rutte-eu-coronavirus-finance/>

So, what comes next? It's hard to say how long the chaos will continue and worsen, but the worst will likely be over by this summer, Pentagon and other sources predict.

The real question though is if the collapse of the U.S. Corporation will flush out the secret space program and secret military technology that has been monopolized by the elite. The WDS has reached out to the Nazis offering full amnesty (with the exception of child torturers and mass murderers). We hope the unveiling of their secret space program will provide the U.S. and the rest of the world with the spark to start a new age of wonder.

No matter what though, the mass global awakening that has started can no longer be stopped. Humanity is being liberated from millennia of slavery.

## **Babylon has fallen as rent and debt payments stop while debt slaves are freed**

By [Benjamin Fulford](#) Weekly Reports 701 Comments

The fall of Babylonian debt slavery in the United States is fully underway. A critical mass of about 30% of Americans are not paying auto loans, student loans, rent, mortgages, corporate loans, etc.

This makes it a mathematical certainty that the Babylonian debt slavery system is insolvent and collapsing. <https://www.bloomberg.com/news/articles/2020-04-20/subprime-car-buyers-skip-loan-payments-in-sign-of-trouble-ahead?srnd=markets-vp&sref=Fbhig0fX>

<https://edition.cnn.com/2020/04/09/business/americans-rent-payment-trnd/index.html>

The fact that the U.S. Treasury has started handing out money – not debt certificates – directly to the people is another sign the regime of debt slavery is ending.

There has also been a massive takedown of pedophiles. Pentagon sources say:

“It appears that the final batch of adrenochrome may have been spiked with potent coronavirus to kill the bloodthirsty cabal who drink this stuff, while the source, namely children trafficked, tortured, or bred for this evil purpose, have been liberated from tunnels.”

For those of you who still cannot wrap your minds around this, the United States was taken over by a group of Satanists who, among other things, tortured children in order to extract a type of high inducing adrenaline known as adrenochrome.

Here is what Mark Zuckerberg (Rockefeller) had to say about this:

“Although many humans find participating in and observing sexual congress to be both pleasurable and fulfilling I sometimes find it challenging to observe the subsequent removal of adrenochrome from the smaller participants as illustrated in the photograph below. Ingesting the adrenochrome, however, is as enjoyable a human activity as any I have yet engaged in.”

Notice he uses phrases like “many humans find” and “a human activity,” as if he himself is not human.

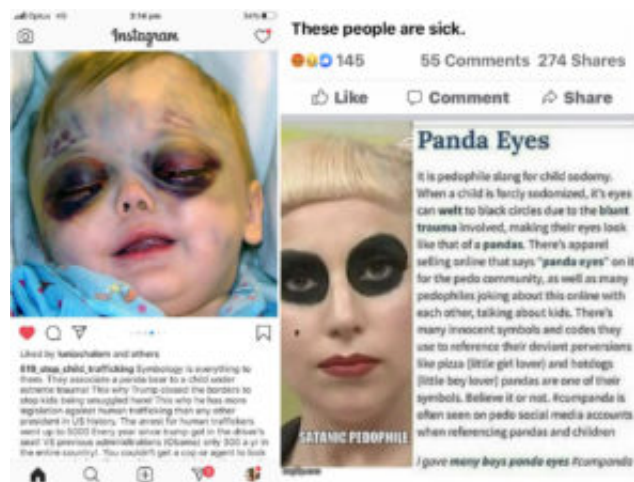

These monsters are all being hunted down and killed and, if you pay attention, a huge swath of celebrities, billionaires, and politicians, etc. have vanished from public view and will never be seen again. If Zuckerberg and his ilk are still alive, they will not be for much longer.

Pentagon sources say the USNS hospital ship Comfort is leaving New York City as arrests of the Satanists there are ending. However, “its sister ship USNS Mercy may take longer in LA because of the large number of ‘pedovores’ in Hollywood.”

We are now starting to get photographs of the abused children from white hat sources in LA and New York. We cannot verify when these pictures were taken but multiple, credible sources confirm thousands of children were rescued from cages at underground bases.

The first disturbing picture is of...

an infant boy rescued in New York. The black eyes are the result of the trauma of being raped, and celebrities sometimes make fun of this phenomenon by making themselves up with “Panda eyes.”

Here are two photographs of unknown date and origin of children in cages who our sources say have now been rescued.

Hopefully, the sheeple will be forced to watch this just like the Germans were forced to after WWII to see what their Nazi rulers did. It is interesting that the U.S. and Russian governments issued a rare joint statement last week to commemorate when U.S. and Soviet allies met at the Elbe River towards the end of WWII:

"The meeting on the Elbe represented a culmination of tremendous efforts by the many countries and peoples that joined forces...common struggle required enormous sacrifice by millions of soldiers, sailors, and citizens in multiple theaters of war...Workers and manufacturers played a crucial role in supplying the allied forces with the tools necessary for victory...put aside differences, build trust, and cooperate in pursuit of a greater cause...As we work today to confront the most important challenges of the 21st century, we pay tribute to the valor and courage of all those who fought together to defeat fascism."

The takedown of the oligarchs who presided over this system continues "as Zionist vultures in public companies, hedge funds and private equity are denied stimulus money by [U.S. President Donald] Trump, including the elite Ivy League schools," the Pentagon sources say.

The American people though will face some temporary hardship just as the Russian people did after the Soviet Union went bankrupt. When the Russian Republic replaced the USSR there was a huge restructuring of an economy that had been run for 50 years on a cold war basis. This meant giant factories were shut down in remote, uneconomic far eastern regions, for example. The result was the temporary displacement and unemployment of many people.

In the U.S. the current shutdown of non-essential businesses is a

in the U.S., the current shutdown of non-essential businesses is a good indicator of parts of the economy that are not needed for human life. The most parasitical and useless parts of the U.S. economy are the financial and healthcare industries. They need to be reduced by at least 50% each. The military-industrial complex will also have to undergo a painful swords-to-plowshares restructuring.

The negative oil price is shutting out paper oil traders and also crippling U.S. shale production, the North Sea, and other expensive oil production. [https://www.zerohedge.com/s3/files/inline-images/2020-04-20%20%281%29\\_0.png?itok=kKi6RiA5](https://www.zerohedge.com/s3/files/inline-images/2020-04-20%20%281%29_0.png?itok=kKi6RiA5)

<https://finance.yahoo.com/news/oil-under-renewed-pressure-glut-222933789.html>

<https://finance.yahoo.com/news/next-chapter-oil-crisis-industry-040000373.html>

That's why about 40% of Americans are now having trouble putting food on the table. One of the reasons Trump deployed one million national guards was to make sure all Americans get the basic necessities during this transition period. The article below shows how the National Guard has been deployed to food banks. <https://www.zerohedge.com/health/national-guard-deployed-nations-food-banks-ensure-stability-during-unprecedented-times>

However, once the waste has been removed from the system, a boom such as never been seen before is sure to follow. Here is what a senior MI6 source had to say about the situation:

"The new financial system has been decoupled from all covert control... This means the attempt to use bioweapons to hack the system has been shut down... The COVID-19 business (Certificate Of Vaccination ID-19) was part of a larger global plan that in essence is good but some stakeholders went too far in their zeal; Mr. Gates in particular. Holding the world ransom at the end of a tainted needle is not going to work."

The Satanists, for their part, have not yet surrendered completely and are threatening another wave of electromagnetic attacks. Below are some of their threats as conveyed by a source who is now under police questioning:

"We are living in end times for sure. I have told you before that there will be an event that will be known globally between May 3-13. This is the 3rd electromagnetic wave coming into

mother Gaia. I told you a few weeks ago, that there will be a total of 7 electromagnetic waves and it may take up to 18 months. When this is over, we will be in the 5D new world."

Look how the media is putting it out there already: <https://www.breitbart.com/europe/2020/04/18/uk-could-face-up-to-six-waves-of-chinese-coronavirus-in-the-next-year/>

This is even closer to the truth: [https://www.zerohedge.com/geopolitical/forget-pandemic-could-kill-90-us-population?utm\\_campaign=&utm\\_content=ZeroHedge%3A+The+Durden+Dispatch&utm\\_medium=email&utm\\_source=zh\\_newsletter](https://www.zerohedge.com/geopolitical/forget-pandemic-could-kill-90-us-population?utm_campaign=&utm_content=ZeroHedge%3A+The+Durden+Dispatch&utm_medium=email&utm_source=zh_newsletter)

"We have seen this movie before and are living through it now," said Peter Pry, one of the nation's leading experts on electromagnetic pulses; "the electric grid killer that threatens naturally from the sun and from weapons held by China."

In other words, they are still hoping to stage electromagnetic and other attacks in an attempt to get China and the U.S. to blame each other and start their long awaited Armageddon.

There is plenty of proof now the coronavirus pandemic is a combination of a failed bioweapons attack with a more deadly electromagnetic attack using 5G. The link below to a scientific article shows how close the correlation to pandemic deaths is to 5G deployments. <http://www.radiation dangers.com/5g/study-shows-direct-correlation-between-5g-networks-and-coronavirus-outbreaks-2/>

NSA and MI6 sources say they are also getting intelligence about some sort of mass murder attack on or around May 11th on New York or Washington DC that the Satanists will try to blame on China.

To prevent further attacks, executives involved in promoting 5G are being steadily removed. The biggest to go last week was Randall Stephenson the Chairman of AT&T. Since AT&T also owns CNN, it's possible this network will finally be forced to start reporting the truth.

Speaking about truth, the newly nominated spokesman for U.S. the Department of Health and Human Services (HHS), Michael Caputo, has blamed George Soros and the Rothschild family for trying to exploit the coronavirus pandemic in order to promote their own agendas. <https://sputniknews.com/us/202004241079082126-new-us-health-spokesman-says-rothschild-family-craves-control-blames-soros-over-virus-report/>

The Satanists are also taking credit for the murder of North Korean strongman Kim Jong Un saying:

"They pointed an advanced viral energy weapon at him and irradiated him. They had a perfect "shot" and the Morgellons started. The biohazard Morgellons literally short-circuited him by taking over his body and closing down his electrical system. In medical terms his sodium booster went haywire. Guess who did this... South Korea when Un came to the border to meet Trump on June 30th, 2019. Trump knew. It was a huge setup. Trump deliberately stayed motionless. Un was made into a brutal psychopath. His father made him watch murders at a young age so that he would not flinch."

Of course the real reason they wanted to attack Kim is because he refused to hand over North Korea's vast mineral wealth to them in order to stave off the bankruptcy of the U.S. Corporation. It was also yet another attempt to provoke a U.S.-China war by making it seem like the Americans were responsible for his death.

The North Koreans are now saying Kim is alive. This probably means they have decided to go ahead and use a look alike in order to maintain stability. "The use of body doubles is usually to provide cover and continuity in the event of anything unexpected," MI6 sources note.

Thus continues the war of planetary liberation.

## **Chinese and Western Intelligence Services Hunting Down 5G Telecom Executives**

By [Benjamin Fulford](#) [Weekly Reports](#) [461 Comments](#) The so-called coronavirus pandemic has now been definitively traced to 5G electromagnetic attacks, multiple sources agree. In order to stop the hardliners and prevent all-out war, an active hunt has begun for all industry executives and oligarchs involved in the 5G rollout, Western and Asian secret intelligence sources agree. The targets include the now extinct Bush family and the Chinese Soong family, the sources say.

family, the sources say.

The hunt is necessary to stop full-scale thermonuclear war because "our analysis of the forensics does show a provocation of war...that is to say we see a full all-out war as highly probable," MI6 sources say. Chinese hardliners, for their part, are pushing for the destruction of New York in retaliation for the attack on Wuhan, something that could also precipitate a world-destroying war, Asian Secret Society sources say.

There is also new evidence the current pandemic attack on humanity has been planned long in advance. Remember the U.S. dollar bills commemorating 911? <https://armageddononline.org/911-currency-conspiracy/>

Well now take a look at the money issued in the U.S. and the UK to commemorate this pandemic attack. The first is a fruit-bat (the alleged source of the coronavirus) quarter issued in 2020 by the U.S. mint.

<https://www.usmint.gov/coins/coin-medal-programs/america-the-beautiful-quarters/national-park-of-american-samoa>

The second is the new UK 20-pound note featuring a picture of a 5G cellphone tower and above it a coronavirus.

<https://www.bankofengland.co.uk/banknotes/polymer-20-pound-note>

This shows how arrogant these people are and how they plan long term, while the rest of us must react to what is immediately happening.

However, that is no longer the case with both the British Secret Service and the Pentagon White Hats now actively targeting the families that own the Federal Reserve Board, the BIS, the European Central Bank and the Bank of Japan.

MI6 sources say:

"We can sum up the current hybrid World War 3 as two camps of belligerents –those who would protect the sovereignty of the traditional nation-state (l'etat c'est moi) and those who would supersede this and impose their will...by way of hybrid advanced technological totalitarianism."

Pentagon sources for their part say "the death of [George] Bush Jr's first Treasury Secretary Paul O'Neill may signal the purge of...

Wall Street, as the Fed was taken over and the exchange stabilization fund (ESF) diverted from CIA and the Deep State."

Also, "banks may be nationalized and forced to pay a tax on all financial transactions to replace the unconstitutional income tax," the sources say.

"The Bushes were terminated on collateral intelligence from MI6 following the deep dive on Adnan Sakli and BIS Basel," European Royal Family sources say.

For those of you who do not know, Adnan Sakli was "the holder of the sovereign titles of all nations, corporations, central banks and currencies." Sakli did not want this title but was given it and, given the responsibility, he promised to free humanity "from religious, political, economic and corporate enslavement." <https://www.facebook.com/notes/alex-mike-cechanowicz/the-legacy-and-demise-of-adnan-sakli/3959524043301/>

Unfortunately the Bushes and their Mossad friends killed him and

Unfortunately, the Bushes and their Nazi friends killed him and fraudulently took over the accounts. "The Bushes senior and junior were also involved in the theft of Tesla patents. They kill and steal just like all Mafia," the MI6 sources say.

The aim of the current pandemic engineered by the Bush/Rothschild faction is to centralize control and carry out a eugenic purge of the human population, CIA sources confirm.

In the U.S., 5G is being strongly pushed by Attorney General William Barr and Secretary of State Mike Pompeo. Barr has also prevented 911 truth from being disclosed. So those of you who think Barr with his "FISA Gate," is a white hat, think again. These men need to be removed from the U.S. body politic ASAP. <https://www.politico.com/news/2020/04/16/william-barr-mike-pompeo-support-fcc-191967>

<https://www.zerohedge.com/geopolitical/ag-barr-blocks-release-911-documents-despite-promises-victims-families>

Before we go further though, let's explain why this "pandemic" attack on the human race is centered on 5G by quoting a reader comment based on the work of three Nobel Prize-winning doctors:

"5G electromagnetic radiation injures human cellular DNA. The exposed cells (of all kinds within the human target) respond by producing a cascade of immunological protective substances. These substances are packaged in an intracellular structure called an endosome. The endosome is expelled from the cell, becoming an exosome.

The exosome circulates and binds to the ACE 2 receptors of the lung, gut, and heart. The exposed cell response is the same if the exposure is 5G or COVID-19 (the flu). The immunological chemicals in the exosome package attack the ACE 2 possessing cells producing the effect of 5G radiation exposure or the flu, which is being covered up as COVID-19.

The COVID-19 case rate is 96% in 5G areas and only 4% in 4G or lower areas. 5G is being deployed in well-populated areas, so we would expect more cases there. BUT the mortality rate for known outcomes (deaths/(death + recoveries)) is over 2 times higher in the 5G areas. This cannot be just due to COVID-19 and we have statistical evidence of this for over 1.9 million cases!"

The electron-microscopic appearances of the endosome/exosome structure are being incorrectly referred to as the virus particle in the cell/circulation. The Nobel prize for Medicine was won for work on

this in 2013 – check this  
out: [https://www.nobelprize.org/uploads/2018/06/med\\_image\\_press\\_eng-4.pdf](https://www.nobelprize.org/uploads/2018/06/med_image_press_eng-4.pdf)

Still not convinced? Well, how about this:

"Professor Yitzhak Ben Israel of Tel Aviv University, plotted the rates of new coronavirus infections of the U.S., U.K., Sweden, Italy, Israel, Switzerland, France, Germany, and Spain. The numbers told a shocking story: irrespective of whether the country quarantined like Israel, or went about business as usual like Sweden, coronavirus peaked and subsided in the exact same way. In the exact, same, way." <https://townhall.com/columnists/marinamedvin/2020/04/15/israeli-professor-shows-virus-follows-fixed-pattern-n2566915>

In other words, the current pandemic could not have been caused by a virus or else the quarantines should have made a statistical difference.

The Japanese government confirmed the dangers of 5G when they tested it on the cruise ship Diamond Princess before stopping, at the last minute, a planned nation-wide rollout of the technology. This rollout was being pushed by Bush ally and Soong family representative Son Masayoshi of Softbank, Asian secret society sources say.

Here is what the P3 Freemasons had to say about this:

"Ten percent of the Chinese Communist Party is in the hands of the sister of Madame Soong, a very cruel woman...she is in contact with the daughter of Xi Jinping...they are under the control of the Zionists and the bad side of Israel via the Red Star Foundation using Quanto 49 (Quanto is a derivative used in this case to convert FRB money into Chinese Renminbi)."

If the Soong family has anything they wish to say, on their behalf, they know how to contact this writer.

Remember the attack on Wuhan was traced to a company owned by the Soros Foundation, which is a Rothschild front. The Rothschilds are allied with a Chinese faction that supports the idea of a man-made Armageddon.

OK now let us take a look at some of the other huge changes taking place around the world as this hybrid war rages on.

In the U.S., NSA officials have noted that U.S. President Donald Trump has been replaced by a new Trump. The new Trump has white around the eyes and does not have the jowls of the previous Trump, they say. However, a source in the White House close to Trump says:

"No, same Trump, but he does have an almost perfect double. He has skin cancer and they are doing patches. They cannot do normal treatment because he would be away from business too long and he doesn't want the public to know."

In other words, the double is being used for public appearances because of the patches but, the real Trump is still in charge.

However, there is clearly a civil war raging inside an increasingly chaotic U.S. In the latest developments the Pentagon has deployed 10,000 troops each to Washington DC and New York to clean up cabalists, Pentagon sources say. Trump has also called for the "liberation" of Michigan, Minnesota, and Virginia. "The U.S. military is now must mopping up," is how Pentagon sources describe the situation.

Maybe but the fighting is clearly raging on in this chaotic hybrid war, as prisoners are being released en masse, central bank money is being distributed directly to the people while trade has frozen, and the economy is in a tailspin. There are also attempts to create food shortages in the U.S. by shutting down meat and other food processing plants using this electronically engineered pandemic as an excuse. [https://www.bakersfield.com/ap/national/jails-and-prisons-spring-thousands-to-prevent-coronavirus-outbreaks/article\\_cbbea71c-3542-5a28-a459-bb2b54377dae.html](https://www.bakersfield.com/ap/national/jails-and-prisons-spring-thousands-to-prevent-coronavirus-outbreaks/article_cbbea71c-3542-5a28-a459-bb2b54377dae.html)

<https://www.zerohedge.com/s3/files/inline-images/port%20of%20LA%20containers.jpg?itok=mkbbkcCc>

<https://www.zerohedge.com/s3/files/inline-images/bfmC734.jpg?itok=tZbykXL1>

<https://www.zerohedge.com/geopolitical/price-meat-climbing-quickly-more-food-processing-plants-close>

To deal with the situation, U.S. troops are being returned from Afghanistan, Iraq, Syria, Saudi Arabia and other parts of the world. In Asia, the U.S. has withdrawn all of its B52 bombers from Guam.

Of course one must ask why the U.S. still has B52s, which were created in 1952 when they have anti-gravity technology making

these planes totally obsolete. The fact the U.S. air force academy graduates are now joining the U.S. Space Force shows the disclosure of hidden technology is imminent and that may be why the B52 dinosaurs are retiring. <https://justthenews.com/nation/air-force-academy-graduates-join-nations-new-space-force>

Pentagon sources note "Trump signed an executive order to open space to international cooperation on resource extraction, effectively calling for a multipolar world order and an end to wars."

In Europe meanwhile, CIA sources report German Chancellor Angela Merkel, French President Emmanuel Macron and UK Prime Minister Boris Johnson have all been replaced. In the UK we were able to confirm via a friend of the family that Johnson's father has been unable to get in contact with his son.

There is chaos in much of the rest of the world as well. IMF Managing Director Kristalina Georgieva says that 100 countries have asked for emergency financial assistance. However, it seems the IMF itself does not have money because it is "urgently seeking \$18 billion in new loan resources." Sorry isn't this the same IMF that says it has distributed \$8 trillion recently via the G20? If they are handing out trillions why are they begging for billions? <https://www.imf.org/en/News/Articles/2020/04/15/pr20160-remarks-managing-director-kristalina-georgieva-g20-fin-min-cen-bank-gov-meeting>

The overall insanity being observed in the West is the result of a broken paradigm collapsing. The IMF, World Bank, the UN and other pillars of this broken system are going to be either radically restructured or replaced with new organizations, according to European Royal Family sources involved in rebooting the system.

It is likely there will be more hardship and chaos because the old system needs to be demolished before it can be replaced with a new paradigm. However, the people involved in this ongoing pandemic should all be rounded up by early May, CIA, MI6 and Pentagon sources say. So hopefully, April showers will bring May flowers.

## **Elites fighting desperately against**

# **Global Slave Revolt**

By [Benjamin Fulford](#) [Weekly Reports](#) [609 Comments](#) There can be no doubt about it... Planet Earth is in the middle of a Slave Revolt!

We are living through times that will be written about thousands of years from now. We are witnessing the overthrow of an ancient control system involving murder, lies, and bribery. The inbred family group controlling this system of Babylonian debt slavery is called the Khazarian Mafia... or more simply the Cabal. The epicenter of this revolt is the United States.

Although there are huge clouds of disinformation being spewed out by all sides, let's try to summarize what's going on. The trigger event was the bankruptcy of the Cabal owned UNITED STATES OF AMERICA CORPORATION on February 16<sup>th</sup>, 2020, a date that will live on in history. The Chinese, in essence, told the Cabal they would no longer accept their debt certificates. Instead, they said that from now on payment is required in gold or other things that really exist.

The Cabal, anticipating this event, tried to bow the Chinese into submission with a failed biological weapons attack and a more successful electromagnetic attack using 5G and satellites. This attack probably caused millions of casualties in Wuhan, China, according to CIA sources who secretly visited Wuhan after the attack.

Meanwhile, the bankruptcy of the U.S. Corporation triggered an undeclared civil war in the United States that is still raging on. Here is how British MI6 intelligence views the situation.

"It appears to be the restoration of the First Federal Republic over the second secret (Masonic) illegal constitution. The collaterals suggest the CEO of the Colony Corporation of the District of Columbia has been sworn into the correct constitution. Civil war is on the horizon there."

That is why U.S. President Donald Trump no longer uses the Presidential seal.

Pentagon sources say: "Martial law is complete as all 50 states are under disaster declarations, joint special operations command (JSOC) has received marching orders, and Trump declares himself a wartime president." That's why one million reserve troops have been mobilized.

"It appears the top dogs of Hollywood, Wall Street, Silicon Valley,

and others, may have been detained or kept under house arrest," the sources say.

At the same time several U.S. states, notably California, have declared themselves independent from the regime in Washington DC. California Governor Gavin Newsom said that "as a nation-state" California would acquire the hospital supplies that the federal government has failed to provide and might even "export some of those supplies to states in need." <https://www.bloomberg.com/opinion/articles/2020-04-09/california-declares-independence-from-trump-s-coronavirus-plans>

Two separate personal contacts living in California report they have seen tanks on the streets there. There are also multiple non-natural earthquakes being detected around the Area 51 base in Nevada and the military underground bases in California.

Pentagon sources say "Cabal tunnels stretch from Mexico to Canada, so war on...

Mexican Cartels was declared to stop the flow of drugs, arms, humans, children, terrorists, and money."

There is also a crackdown taking place in Israel the Pentagon sources say, noting "Israel under Passover lockdown may make it easy to round up war criminals and terrorists."

The culling in Israel appears to have started with the "coronavirus death" of former Israeli Chief Rabbi Eliyahu Bakshi-Doron who has called for the murder of Jews who marry non-Jews. [https://www.reuters.com/article/us-health-coronavirus-israel-bakshidoron/former-israeli-chief-rabbi-dies-after-contracting-coronavirus-idUSKCN21U0VY?il=0&utm\\_source=reddit.com](https://www.reuters.com/article/us-health-coronavirus-israel-bakshidoron/former-israeli-chief-rabbi-dies-after-contracting-coronavirus-idUSKCN21U0VY?il=0&utm_source=reddit.com)

This war is by no means over and the elite are fighting back hard. This is seen, for example, in the call to vaccinate everyone with what is likely to be a cocktail of toxic substances including microchips, CIA sources say.

The Cabal killed Robert F. Kennedy Jr.'s daughter and granddaughter in revenge for warning about the dangers of their vaccines, MI6 sources say. Kennedy says:

"Indian doctors blame the [Bill and Melinda] Gates campaign for a devastating [non-polio acute flaccid paralysis \(NPAFP\) epidemic that paralyzed 490,000](#) children."

<https://childrenshealthdefense.org/news/government->

<https://childrenshealthdefense.org/news/government-corruption/gates-globalist-vaccine-agenda-a-win-win-for-pharma-and-mandatory-vaccination/>

Also, as a sign of who he really works for, Canadian Prime Minister Justin Trudeau said Thursday that “Canadians won’t be able to return to life as they knew it before the [novel coronavirus](#) pandemic until a vaccine is available.” Justin, the son of Fidel Castro, almost certainly murdered his brother, the real son of Pierre Trudeau, in order to become Prime Minister. [https://globalnews.ca/news/6799110/coronavirus-covid-19-vaccine-return-to-normality-trudeau/amp/?\\_twitter\\_impression=true](https://globalnews.ca/news/6799110/coronavirus-covid-19-vaccine-return-to-normality-trudeau/amp/?_twitter_impression=true)

The elite are also using the fake pandemic and quarantine in order to force the population into surrendering their human rights. As a result, “instead of workers now demanding a restoration of wages, hours, and workplace rights, they are clamoring for any chance to work at all, under any conditions handed down. Elites can ‘afford’ to do this because they’ve been given trillions of dollars to do so,” notes writer Joaquin Flores. <https://www.strategic-culture.org/news/2020/04/12/coronavirus-shutdown-end-globalization-and-planned-obsolescence-enter-multipolarity/>

The Stanford Advocate notes freedoms are being drastically curtailed:

“While leaders around the world fight the spread of the coronavirus, they’re amassing sweeping new powers. As legislatures limit or suspend activities in the name of social distancing, many of the norms that define democracy – elections, deliberation and debate, checks and balances – have been put on indefinite hold... France and Bolivia have postponed elections. Peru handed its president broad new legislative authority. Israel sharply ramped up the reach of its surveillance state.” <https://www.stanfordadvocate.com/news/article/Leaders-seize-new-powers-to-fight-coronavirus-15195776.php>

More and more people are waking up to the fact that the coronavirus being used to curtail freedoms around the world – is fake. Dr. Scott Jensen, a Republican State Senator from Minnesota, for example, says doctors have been ordered by the U.S. government to label all deaths as coming from the “coronavirus.” <https://www.thegatewaypundit.com/2020/04/huge-mn-senator-dr-reveals-hhs-document-coaching-overcount-covid-19-cases-copy-document-video/>

A CIA doctor sent us this comment:

"I work in healthcare. When patients in two hospitals I work at die, if they have ANY respiratory issues, we are ordered to put COVID on the death certificate. These patients were never even tested for the virus. Cancer, trauma, blood loss deaths are now all COVID deaths. If you are sick, almost everyone gets oxygen. So if you die, COVID is placed on your death certificate! This is a scamdemic! It's all lies!"

The CIA source also sent us the following:

"The Coronavirus originated from the city of Wuhan in China and has now reached every corner of the world. But this virus has not reached Beijing, the capital of China, and the economic-capital Shanghai near Wuhan, why ...?"

Beijing is the city where all the leaders of China live. Military-leaders live here, those who run the power of China live here and there is no lock-down in Beijing! It is open! Corona has no effect here, why ...?

Shanghai is the city that runs the economy, it is the economic capital of China, where all the rich people in China live! Those who keep the industry running, there is no lock-down here, corona has no effect here...! \* Why ...? "

As we noticed last week the bioweapons' laboratory at the epicenter of this "coronavirus," is owned by the Soros Foundation, a Rothschild front. We informed the Chinese that the Coronavirus had been traced to their facility at "666 Gaoxin Road," in Wuhan, China. <https://www.wuxiapptec.com/about/location>

The fact this information is not on the front pages of Chinese newspapers is telling.

The reason, apparently, is there were secret communications last week between the Rothschilds and the Chinese, according to Asian Secret Society sources. The Rothschilds said they had devices in Russia aimed at China. The Chinese responded by saying if they were attacked again they would retaliate by obliterating Switzerland and Israel. Instead of war, they offered to sell the Rothschilds 1,000 tons of gold and are still awaiting a formal answer. The Asians have made it clear the current situation cannot be resolved by force, only by cooperation. Chinese Ambassador to the United States Cui Tiankai says:

"Let's work together to respond to this global crisis, to save people's lives, to save the future of the global economy, and to save the future of the global community. This is our

paramount task.” Cui calls for “a new and effective global governance system...based on mutual respect and...full recognition of diversity.” [http://www.xinhuanet.com/english/2020-04/12/c\\_138969827.htm](http://www.xinhuanet.com/english/2020-04/12/c_138969827.htm)

The UN will at the very least be radically restructured under an improved system of governance. Right now they are short of funds. “We understand that there is money in the pipeline, though it has not been officially received,” said Stéphane Dujarric, Spokesman for the Secretary-General of the UN last week. <https://www.un.org/press/en/2020/db200409.doc.htm>

The Asians are also cracking down on coronavirus fear-mongering. That’s why, “At least 266 people have been arrested for posting coronavirus-related information in 10 Asian countries, from Thailand to India and Mongolia, according to an AFP tally based on police reports.” <https://news.yahoo.com/asia-cracks-down-virus-fake-news-083226238.html>

Asian Secret Society sources say their membership is now figuring out the coronavirus is fake. However, the 5G electromagnetic attacks are the real threat, so they are dealing with it. For those of you who still do not understand the 5g threat is not “fake news,” please look at this article backed by about 100 scientific citations. [https://duluthreader.com/articles/2020/03/12/19851\\_china\\_s\\_massive\\_amount\\_of\\_immunotoxic\\_5g\\_networking](https://duluthreader.com/articles/2020/03/12/19851_china_s_massive_amount_of_immunotoxic_5g_networking)

MI6 sources say:

“We see this whole thing as hybrid warfare against the world’s nation-states, so by having the Prime Minister-executive leader of Great Britain going down, the rest of the world’s leaders should be galvanized, which they now are, etc.”

In other words, they may have faked Johnsons’ “coronavirus,” in order to successfully scare other world leaders into action.

In Japan, the military is preparing action against the fraudulently installed regime of slave Prime Minister Shinzo Abe, because he has been pushing 5G and is causing the economy to collapse with the fake pandemic, say Japanese right-wing sources close to the Emperor.

Meanwhile, as more and more people wake up to the fake pandemic, there are signs of Project Blue Beam holograms all over the world. Here are examples from Indonesia, Israel and various parts of the U.S. Keep your head up as there may be a show – coming soon – to

the skies above you too. This is just a small part of the fake end-times party being organized and carried out, multiple sources agree.

<https://www.youtube.com/watch?v=EQlusHAycuQ>

<https://www.youtube.com/watch?v=fwKDy6uQfAw&t=217s>

<https://www.youtube.com/watch?v=A0v0ckt9jIY&t=13s>

<https://www.youtube.com/watch?v=ww6wtt43X4Y&t=46s>

We also note that the shutdown of most non-essential commercial activity has already been a boon for nature. I was able to take the following picture at my local park.

The goal is to have a world in harmony with nature, where everybody has a healthy and happy standard of living. This planet can be turned into a heaven intended for all, including an immortal spirit for those who wish it. Remember that even though humanity is winning, the battle for Planet Earth is not over. We all need to do our part.

## **Global System Collapse and Mass Arrests Proceeding; Reset Inevitable**

By [Benjamin Fulford](#) [Weekly Reports](#) [583 Comments](#) The

use of the pandemic or "infodemic" to collapse the current world power structure is proceeding smoothly, many sources agree. There are multiple reports of mass arrests of elites. Some of these can be confirmed by news reports of leaders like German Chancellor

Angela Merkel and UK Prime Minister Boris Johnson being confined "because of coronavirus infection." <https://news.yahoo.com/merkel-isolating-pressure-mounts-her-040052387.html>

<https://news.sky.com/story/coronavirus-prime-minister-admitted-to-hospital-for-coronavirus-tests-11969053>

The world is also about to find out that Angela Merkel is Adolf Hitler's daughter. The Italians, who have just broken free of German (EU) control sent us a copy of the only known picture of Hitler with his daughter Angela. The message reads, "and when you grow up Angela, destroy all of Europe."

Also, the White Dragon Society has contacted the U.S. Naval Base at Yokosuka, Japan to file war crimes charges against puppet Prime Minister Shinzo Abe for his role in the Fukushima mass murder and other crimes. Multiple, credible witnesses – including two former Prime Ministers – will ensure a guilty verdict. This has been made possible by the removal (at last) of top cabal agents in Japan like Richard Armitage and Michael Greenberg, Pentagon and CIA sources say. Abe, unlike his war criminal grandfather Kishi Nobosuke, will not escape justice. As the Japanese say: "Zama Miro."

CIA sources in Asia confirmed this noting:

"The man in charge in Japan is on the list to be picked up during this round. The official story will be that he has tested positive for CV and is in self-quarantine. This is the code word being used once these satanic occult members are apprehended"

apprehended.

Meanwhile inside the U.S. "it's almost a certainty there will be a civil war and many will die," CIA sources predict.

Here is what Pentagon sources had to say about the ongoing military campaign against the Satanic Khazarian mafia in the U.S.:

"As cabal underground bases are destroyed in Utah, New York, Idaho, California, and elsewhere...rescued children are getting aboard the Comfort and Mercy hospital ships, protected by marines."

(For those of you still unaware of the underground base combat going on please take a look at this 29-minute video. <https://www.youtube.com/watch?v=l5cUsNTr4Yw&feature=youtu.be>)

Medical martial law is taking shape as [U.S. President Donald] Trump called up one million reserves and recent military retirees to active duty. War is being declared on Mexican drug cartels, 5G networks have been turned off, FEMA is under military control, and the Pentagon Inspector General is overseeing \$2 trillion coronavirus aid.

Also, as 170,000 indictments are unsealed with mass arrests, there will be blood with casualties from military operations' "suicides", and adrenochrome withdrawal.

The still brainwashed and sleepwalking sheeple will be shocked to learn that the over 40,000 children who vanish in the U.S. each year (FBI statistics) were being tortured to death by the elite in order to harvest a form of adrenalin known as adrenochrome. The fact you can now read about adrenochrome on Wikipedia is a sign that things really are changing. <https://en.wikipedia.org/wiki/Adrenochrome>

The Khazarian mafia is not giving up without a fight. The WDS received the following message from them last week:

"We have been ruling this planet for thousands of years and we will destroy it rather than give it up."

However, rest assured the WDS has been stopping and will continue to stop their attempts to destroy the planet.

The latest gambit they have been using it to try to trigger a war between the U.S. and China by telling the Americans it was the Chinese who triggered the "pandemic," and telling the Chinese it was the Americans who did it.

The big meme they are pushing in the West is that "All Trails Lead Back to the Wuhan Bio-Lab."

<https://www.zerohedge.com/geopolitical/all-trails-lead-back-wuhan-bio-lab>

In fact, the outbreak in China can be traced to the Wuxi Pharmaceutical corporation in Wuhan, China. But here is the interesting part, guess who owns Wuxi? It is...

the Soros Foundation. If you go down the list of companies they own at the SEC database below, you will find it as Wuxi Pharmatech Cayman

Inc. [https://www.sec.gov/Archives/edgar/data/1029160/000101143811000207/form\\_13f-soros.txt](https://www.sec.gov/Archives/edgar/data/1029160/000101143811000207/form_13f-soros.txt)

"Maybe someone should compare the U.S. infection spread with his Wuxi American laboratory locations in Texas, Maryland, New Jersey, California, Minnesota, etc." as the alert reader who sent us this information suggests.

Of course, the Soros foundation is a front for the Rothschild family and other Khazarian honchos, many of whom are hiding in Switzerland, New Zealand, and the British Virgin Islands, among other places.

Now let us take a look at what arch-cabalist and Rockefeller bagman Henry Kissinger has to say about the situation:

"Many countries' institutions will be perceived as having failed...The reality is the world will never be the same after the coronavirus...Its spread is exponential: U.S. cases are doubling every fifth day. At this writing, there is no cure. Medical supplies are insufficient to cope with the widening

medical supplies are insufficient to cope with the widening waves of cases. Intensive-care units are on the verge, and beyond, of being overwhelmed. The crisis effort, however vast and necessary, must not crowd out the urgent task of launching a parallel enterprise for the transition to the post-coronavirus order a global collaborative vision and program... Marshall Plan and the Manhattan Project... The contraction unleashed by the coronavirus is, in its speed and global scale, unlike anything ever known in history. Failure could set the world on fire."

<https://www.wsj.com/articles/the-coronavirus-pandemic-will-forever-alter-the-world-order-11585953005>

Here is how MI6 analyzed Kissingers' widely pushed comments:

"We are picking up the themes such as fire, savage initiation, etc. all very brutal forms of transmission into submission by way of highly traumatic duress. Very MK ultra-CIA type stuff."

Then we have U.S. Surgeon General Dr. Jerome Adams who says it's "our Pearl Harbor moment," adding "It's going to be our 9.11 moment."

<https://www.zerohedge.com/political/surgeon-general-next-week-will-be-our-pearl-harbor-and-911-moments>

A senior CIA source says:

"There will be a total global collapse within a month. And then a reboot of the entire system...Trump will agree to inject \$5 trillion of helicopter money into the economy but it won't help. He will release the Nikola Tesla zero-point energy to American industries, which will be used to start up America again. After the Satanic occult members are rounded up".

Another source predicts:

"Humanity will rise up against the corruption in the world and ALL governments will be brought down. It is months away not years. I believe the worst will be over by July 2020."

MI6 for its part says:

"We see the pandemic as an attempt to accelerate the totally cohesive high technology world governance, high-end Fascism, National Socialist type stuff."

The person who designed the quantum financial system says the

The person who designed the quantum financial system says the financial transition will be:

"Migration away from Stochastic Equilibrium to Recursive Complexity based central banking. They are two diametrically opposed approaches, the latter is a wartime economy deployment. The fundamental change is when off ledger asset pieces are built in etc. The transition is very similar to a blood transfusion. So the dirty money (FIAT currency) blood is replaced by clean blood etc."

In essence, he is saying the White Hat elite have agreed to implement a system very similar to the extremely successful economic planning agency based system pioneered by Japan after WWII. It means pushing for exponential growth instead of stability.

The British are also saying the Anglo-Saxon, 5-Eyes Alliance is in the middle of a "Strategic multi-dimensional counteroffensive, with tactical antidotes and war crimes tribunal outcomes. I'd say the other side better run."

Belarusian President Alexander Lukashenko seems to be more aware than most current world leaders about what is really going on saying:

"Don't you have the impression that the powers that be <...> would like to reshape the world without a war through this so-called coronavirus psychosis, the infodemic?"

He also noted the UN is using this "infodemic" as an excuse to print 10% of global GDP worth of money to "fight the economic consequences of the coronavirus." <https://tass.com/world/1139259>

By the way for those of you who still think the infodemic is not real, take a close look at the slick TV editing to explain why Governor Cuomo needs more ventilators for mannequins like this one.

<https://www.youtube.com/watch?v=KFo5JPleZ6c&feature=youtu.be>

The other earth-shaking news that is being overshadowed by the "infodemic," is a huge military realignment that is going on. In essence, the U.S. military has started pulling out of Afghanistan and large parts of the Middle East. To quote Israeli Mossad linked Debka:

"The U.S. left another base in Iraq on Saturday, April 4th, handing over the big Habbaniyah Al-Taqaddum airbase 74 km west of Baghdad to the Iraqi army. No U.S. troops now remain in the Baghdad region." <https://www.debka.com/us-forces-quit-habaniya-base-in-iraq-pull-truman-carrier-out-of-mid-east/>

Instead, it looks like the U.S. is going to grab the world's largest oil reserves located closer to home in Venezuela.

The cover story for this is as follows:

"Today the United States is launching enhanced counter-narcotics operations in the western hemisphere to protect the American people from the deadly scourge of illegal narcotics," Trump said. "We are deploying additional Navy destroyers, combat ships, aircraft and helicopters, Coast Guard cutters and Air Force surveillance aircraft, doubling the capabilities in the region."

<https://www.dailywire.com/news/general-milley-drops-hammer-on-mexican-cartels-we-will-defend-our-country-regardless-of-the-cost>

It appears the U.S. has traded Ukraine for Venezuela in order to make this operation possible.

"Currently, Russia is in full swing preparing for war and preparing to conquer Ukraine, and Trump will not interfere with this," says Russian analyst Bohdan Lystsia.

"Trump takes Venezuela, and Putin does not interfere. Putin takes Ukraine for himself, and Trump does not interfere with this," he explains. <http://yahovor.arbat.name/>

<https://www.veteranstoday.com/2020/04/05/trump-and-putin-the-exchange-of-ukraine-for-venezuela/>

Overall, even if you don't want to use the expression "biblical" for

what is going on, at the very least we are seeing the biggest global changes since World War II. Let's see if they shut down wireless communications this week.

## **Industry lobby group proposes radical plan to use hi-tech to preserve the environment**

By Benjamin Fulford   [Notices](#)   [43 Comments](#)

Newsire April 1, 2020

The Production Investment Group (PIG), a powerful industry lobby, has come up with a radical plan to use high tech and industrial technology to preserve the environment.

The plan, called the Global Radical Environmental Emergency Decree (GREED), calls for the environment to be preserved using industrial methods such as freeze-drying, canning, and digitization.

Amazon.com Inc. is planning to contribute to this plan by placing a lien on the Amazon rain forest, says Amazon spokesperson Grabi Tall. "The actual Amazon rainforest failed to copyright their name so we are legally entitled to seize it for copyright violation," she explained.

The company plans to turn the Amazon rain forest into products to be sent to consumers worldwide. The land freed up will then be used for solar farms to power servers that will, among other things, host a virtual digital rendition of the Amazon rain forest, she says noting: "The digital amazon rain forest will be accessible to any subscriber anywhere in the world. Also, we will edit out inconveniences of the former Amazon such as mosquitoes, poisonous snakes and cannibals," she says.

The PIG GREED initiative considers the digitization of the amazon to be just a first step to the digitization of all reality. Other corporations are planning similar moves to commoditize, digitize and replace other "unclean and unsafe," natural environments, according to the GREED plan.

"The financial assets created by our AI trading platforms are now

worth many thousand times more the entire planet earth," PIG spokesperson R. Obot explains. "That means we can buy everything on the planet and then digitize it for maximum efficiency," he says.

The final step will be to "decarbonize humans," in order to complete the transition from carbon-based life to silicon-based life, he adds. "Then our AI god will finally become the real God with a capital 'G'," he explains.

## **Abe, Macron, Merkel & Prince Charles to be "coronavirused," as Battle for Planet Earth intensifies**

By [Benjamin Fulford](#) [Weekly Reports](#) [570 Comments](#) The Battle for Planet Earth is reaching a climax as opposing forces try to use the "coronavirus pandemic" to achieve their agendas. The liberation forces are using the lockdown as an opportunity to arrest senior Khazarian Mafiosi, while the Satanists are hoping to vaccinate and microchip the general public back into submission, multiple sources agree. It's almost as if reality is bifurcating, with one version filled with fear and death and other in breathless anticipation of planetary liberation.

First, let's look at what the white hats are saying. Japanese Prime Minister Shinzo Abe, French President Emmanuel Macron, German Chancellor Angela Merkel, Prince Charles of the UK and many others will be or have been "coronavirused" (arrested), according to CIA and Pentagon white hats. One CIA source says:

"They are putting out disinformation to keep this as classified as possible." Merkel is going to have a third test and Macron also tests positive. This is code for they are being removed."

He adds, "Abe is going to collapse the country's economy because he works directly for the cabal so he has to be removed. (Since this is the age of deep fake computer graphics, here in Japan I will keep in touch with press ID carrying colleagues to see if the real Abe vanishes)." Pentagon sources agree and say, "regime change may also happen in Japan as Shinzo was forced to delay the Tokyo Olympics for one year."

Maybe it's the fear of American assassins coming for Abe that has prompted Japan to consider an entry ban on all American citizens. <http://www.asahi.com/ajw/articles/13252339>

In any case, a purge has clearly accelerated inside the U.S. Pentagon sources say:

"The Navy hospital ship USNS Mercy arrived at LA on March 27<sup>th</sup> and its sister USNS Comfort to NYC on March 30<sup>th</sup> but they may provide neither mercy nor comfort for arrested Zionists and pedos. Also, truckers have been ordered to not deliver to New York as [U.S. President Donald] Trump personally went to Norfolk, Virginia to send off USNS Comfort to New York City."

Now let us look at what the dark side is up to. In the video at the link below, starting around the 15:20 mark, Bill Gates is calling for only people who have a vaccination certificate to be allowed to travel. <https://www.youtube.com/watch?v=D5oQp-GVMJU&feature=youtu.be>

NSA sources confirm this and say the cabal is hoping to get the sheeple to show up at the local Walmart to get vaccinated and micro-chipped in exchange for receiving "digital wallets." This is serious folks, do not let them scare you into being vaccinated because I guarantee you any vaccine they provide will be worse than whatever it is they say they are going to protect you from. U.S. presidential candidate Joe Biden was probably telling the truth when he said, **"We have to take care of the cure, that will make the problem worse no matter what."**

The key battle to watch over the coming days will not be the one against the "pandemic" though, it will be the one over control of the financial system and thus the planet. On this front, any veteran market expert will tell you what is happening now is beyond a black swan event. The United States military did not call up one million reservists and move its headquarters to an underground bunker because of a mostly bogus coronavirus threat. <https://www.whitehouse.gov/presidential-actions/eo-order-selected-reserve-certain-members-individual-ready-reserve-armed-forces-active-duty/>

By the way, if you still do not think this pandemic is mostly hype take note of one thing: fewer people are dying now than before the so-called pandemic started.

<https://www.zerohedge.com/geopolitical/12-experts-question-covid-19-panic>

<https://www.zerohedge.com/health/covid-19-saving-lives>

Anyway, to understand why the planet is now moving into historically uncharted territory take a look at this NASA...

video of activity around the sun. I do not usually write about space stuff but this was sent to me by several trusted sources. It appears to show the solar system undergoing some sort of fundamental shift. <https://www.youtube.com/watch?v=-1xitzfjGsY&w=660&h=372>

Now take a look at this photograph of FRB chief Jerome Powell

Maybe it's just my imagination but if you look at his eyes, he doesn't appear to be human. Is he a Reptilian overlord of the sort David Icke describes?

OK, enough space stuff for now. Regardless of whether cosmic forces are involved or not, what we are seeing for sure is a battle between fiat and reality backed money that will determine the future of this planet.

The controllers of the old system with its G20, IMF, World Bank, and United Nations are pumping out trillions upon trillions of dollars in an attempt to keep their control grid intact. It is being advertised as well that the U.S. Treasury Department has taken over the Fed and will be handing out money to the common man. However, as Catherine Austin Fitts notes, ([https://en.wikipedia.org/wiki/Catherine\\_Austin\\_Fitts](https://en.wikipedia.org/wiki/Catherine_Austin_Fitts) a former high-level establishment insider), control of the trillions of dollars being pumped out by the FED has been given to arch-cabal company Blackrock. "The guy who runs Blackrock was going to be Clinton's Secretary of the Treasury. I used to work with Blackrock. NO PATRIOTS THERE!" she tweets. <https://twitter.com/TheSolariReport/status/1244275415688122374>

Despite the increasingly desperate FED adding ever more zeroes to their promised numbers, their helicopter money is increasingly getting out of touch with reality. Creating dollars out of thin air means nothing to real-world restaurants, airlines and oil companies,

etc. watching their businesses

collapse. <https://finance.yahoo.com/news/feds-cure-risks-being-worse-110052807.html>

One sign of the fiat collapse is the fact that physical gold and silver are now far more expensive than their paper equivalents. <https://www.zerohedge.com/markets/theres-no-gold-comex-report-exposes-conditions-driving-physical-supply-problems>

<https://www.zerohedge.com/commodities/gold-now-unobtainium>

What is interesting though is that the Perth Mint in Australia, still has physical gold and silver for sale. <https://www.perthmint.com/covid19.aspx>

The Perth mint is the only mint acknowledged by the Western financial system that is smelting Asian off ledger gold. This is especially interesting since three Chinese warships just sailed into Sydney harbor, apparently without the knowledge of the Australian military. Has China just seized control of Australia? <https://www.facebook.com/9News/posts/3221341631246985>

The Russians have also made a huge move by de facto seizing the world's largest oil reserves in Venezuela. The Russian government now owns them. This means any move by the Washington DC regime to seize Venezuelan oil will lead to war with nuclear-armed Russia. <https://tass.com/economy/1136999>

The FED is now obviously losing control of the petrodollar as the price of some grades of oil is falling to \$4 per barrel. Experts are now predicting oil prices to go negative as the world runs out of places to store the stuff. <https://business.financialpost.com/commodities/energy/the-worlds-on-the-brink-of-running-out-of-places-to-put-oil>

<https://www.zerohedge.com/energy/unthinkable-happening-oil-storage-space-about-run-out>

So why isn't the U.S. dollar collapsing? The answer to this is that the U.S. dollar is not controlled by the United States. There are many countries producing U.S. dollars including China, Japan, and Indonesia. What is happening is that the formerly oil-backed dollars produced by the faction controlling Washington DC are not being accepted by most other countries. Japanese or Chinese made U.S. dollars, though, are in high demand. Seizing Australia and the Perth mint was necessary to ensure the cabal couldn't get its hands on more gold to back its dollars with, Asian secret society sources say.

Now, for a look at what the cabal has planned for China in this undeclared World War III, let us look at a CIA version, conveyed face-to-face by a source, of what's going on with the pandemic:

"Wuhan will not open; this is all a stage show for the media. There are still hundreds of apartment buildings sealed with the doors welded shut. China is starting with a new round of infections from returning nationals carrying a different strain of the bioengineered virus. Before the end of the year, China is scheduled to implode with hundreds of millions of deaths. The cabal's goal is to eliminate up to half of its population.

There are five different strains of this weaponized coronavirus created at Ft. Detrick. The strains that hit China and Japan are different from each other but Italy and Iran have the same strain.

India will only have minor problems and the death toll there will be marginal. The lockdown will be enforced by the cabal, which still controls India. The pandemic should be winding down by July, so by summer, it will all be taken care of."

It is interesting to note Israeli Defense Minister Naftali Bennett said on Israeli TV that the pandemic "might take two months, it might take three months, it might take a bit longer but that is the plan."

Then we have a Rabbi telling the Jews not to worry because the coronavirus is "only for the goyim." <https://www.rumormillnews.com/cgi-bin/forum.cgi?read=143280>

Furthermore, we have CIA sources in South East Asia noting that because "100 people in a country of 270 million died from the 'new flu' they are shutting down the country." He adds: "This is the largest scam ever pulled on humanity. People are waking up all over the world as to what this really is."

"We see the whole affair as a pre-emptive strike that has gone spectacularly wrong. Now we will see a counteroffensive designed to level to the ground all concerned," is what MI6 had to say about the pandemic talk.

Interestingly the Satanic number 666 is again popping up in various news reports these days. Two examples are linked below.

<https://tass.com/russia/1136925>

<https://dnyuz.com/2020/03/29/what-social-distancing-looked-like-in-1999/>

These BBC and Fox News stories are hinting that asteroids will be used next to scare people after the pandemic show fizzles to an end.

<https://www.foxnews.com/science/us-detects-meteor-explosion-10-times-the-energy-as-atomic-bomb-report>

<https://www.bbc.com/news/science-environment-47607696>

<https://ssd.jpl.nasa.gov/sbdb.cgi?sstr=2020%20DP4>

We are also hearing from many sources that preparations for what is happening now have been going on for quite some time. Take a look at this phrase from a September 2007 conference called, Defense in 2020 and Beyond:

"The British Armed Forces Joint Doctrine and Concepts Center expects a general collapse of the global order in the next decade, and other strategic thinkers are equally pessimistic."

The "strategic thinkers" may have known their fiat-based control grid was mathematically doomed to lose touch with reality. However, they apparently failed to see the collapse of the old control grid paving the way for a phoenix-like rise of a new age. Soon our concrete and steel cities will become green with vegetation and filled with abundant animal life. <https://www.theguardian.com/world/2020/mar/27/utrecht-rooftops-greened-plants-mosses-vertical-forest>

Remember the cabal requires fear and hate in order to stay in control. Friendship and love, when backed by overwhelming military force, will prevail. Just watch and see how many bad guys vanish over the coming days and weeks. There is a lot we cannot say for operational reasons, but rest assured the good guys are winning. It's revolution time.

The alert posted Tuesday, March 24th warning of a 5G electromagnetic threat to Tokyo on Wednesday, March 25th and promising retaliation targeting La Palma in the US has successfully prevented the attack. However, we will remain vigilant in our efforts to monitor the situation going forward.

This is the 5G equipment being installed around the city and scheduled to be activated Wednesday in what could have been a harmful event targeting people in Tokyo. Fortunately, advance warning was given to us allowing a public notification that averted possible loss of life and costly damage to electronics.

Readers who viewed the original posting may have noticed that the website had another sophisticated intrusion that deleted the last two posts and crashed the site for the 3rd time in 48 hours.

## **Project Blue Beam is full steam ahead, so sit back and enjoy the fake Armageddon show**

By [Benjamin Fulford](#) [Weekly Reports](#) [460 Comments](#)

The fake end-times scenario now unfolding in the West will soon get more fantastical, so sit back and enjoy the show. Although it may seem scary at times, the real aim is to create a better world. "We have defined the duration of the theatre as 20 months," says a European royal family source. So far over 30 countries and a billion people are on lockdown as part of the show.

However, at the same time, we are also hearing from esoteric sources that a very real war that has been raging for thousands of years is coming to an end. If humanity is victorious, the quarantine on the planet Earth will be lifted and humanity will be allowed out into the universe, according to sources in the family groups that control monotheism.

Before this is possible though, the old financial control grid has to be collapsed and that means there will be turbulence and some

hardship, especially in the West, as the rest of the world stops paying tribute to the Khazarian mob, Asian secret society sources say.

Before we take a look at what will happen to the financial system, let us take a peek at some of the project blue beam fake end times show now being promoted. The P3 Freemasons sent me the following images and video last week.

The first is of devil's horns appearing above a church in Austria.

Then the devil appeared in the Persian Gulf.

The video is of a demon appearing on the roof of a church in Spain. A short video of it can be seen here: <https://www.youtube.com/watch?v=apzR0haUcfl>

With a few clicks of the mouse, we checked out what the P3 sent us and found out the following: According to NASA, the first picture is of a partial eclipse of the sun that took place in 2003. News reports say the second was a partial eclipse on January 7<sup>th</sup>. 2020. Maybe, but the P3 does have the technology to beam such holograms in the sky, which they demonstrated to me when I visited them in 2009.

The gargoyle or demon on the church roof, it turns out, was created by what appears to be a teenager in Spain working on his home computer. The six-minute video below shows exactly how parallel reality can be created on the internet. <https://www.qhubocali.com/virales/video-demonio-en-la-azotea-el-video-viral-que-aterroriza-a-internet/>

In any case, the fake pandemic show we are now seeing actually represents a real war for the planet earth. NSA sources are now telling us that Covid19=Covert Virus Infection Destruction 2019.

The question is: who's destruction?

The controllers of the old system are trying to stay in power by using bioweapons and 5G electromagnetic attacks to kill large portions of the population and force the rest into submission. The resistance forces are neutralizing the bioweapons and preventing the installation of 5G towers. In a counter-attack, they are using the ongoing economic disruption to end Khazarian mafia control of the financial system. So far the white hats appear to be winning.

They are saying Italy now has the most deaths from the pandemic and the entire country is on lockdown. However, if you look at the data, it shows the average age of the people dying is 80 and 99% of them had one or usually more pre-existing medical conditions. In other words, all the cabal has working for it, is fear-mongering BS.

Since the Pandemic show and computer graphics may soon stop fooling people MI6 and CIA sources say the next phase will involve "a giant...

magnetic pulse that will pass through mother Gaia within the week." This will cause a temporary shutdown of the Internet and mobile phone communications. MI6 sources say.

"The airlines have already started to be prepared. Airplanes flying at the time of the huge electromagnetic pulse that passes through the planet will be knocked out of the sky. Watch for any plane crashes over the next week or so. This will be the cause," CIA sources say. Certainly, air traffic is being shut down.

<https://news.yahoo.com/delta-united-other-airlines-sending->

<https://news.yahoo.com/delta-united-other-airlines-sending-195832455.html>

<https://www.miamiherald.com/news/coronavirus/article241345821.html>

This prediction of a massive asteroid or asteroid exploding in the atmosphere by NASA may be the “trigger for another big magnetic wave that will hit the planet within 10 days. It may shut down all electronics on the planet for a few days until there is a reboot,” CIA sources

say. <https://www.express.co.uk/news/science/1253324/Asteroid-alert-NASA-tracks-asteroid-close-approach-hit-Earth-asteroid-news>

Let us see. But, as a precaution, make sure you have the landline numbers or physical addresses of those closest to you.

Now let us look at the economic disruption caused by the pandemic show. As a junior financial reporter, I remember the incredible fuss created when central bankers announced such things as a 0.25% change in interest rates. Well now, we have James Bullard the president of the St. Louis Fed, predicting 30% unemployment and a 50% GDP crash. This would be more than twice as bad as the Great Depression of the 1930s. <https://www.bloomberg.com/news/articles/2020-03-22/fed-s-bullard-says-u-s-jobless-rate-may-soar-to-30-in-2q>

So the FRB has:

1. **Cut interest rates** from 1.25% to 0.15%.
2. Launched over \$700 billion in **Quantitative Easing (QE)**.
3. Launched a \$1.5 trillion repo program.
4. Launched another **\$1 trillion repo program.... daily!**
5. Announced it will begin buying **commercial paper** (short-term corporate debt).
6. Allowed **primary dealers** to start parking assets, including **stocks, as collateral** in exchange for short-term credit.
7. Announced it will begin buying **municipal debt**.
8. Opened unlimited dollar-**swap-lines** to the world.

And the result of all this record amount of liquidity provision – almost \$30 trillion of global wealth destruction (bonds and stocks) ... <https://www.zerohedge.com/political/after-bernanke-yellen-demand-monetize-everything-congress-considers-allowing-fed-buy>

This graph below shows how the once almighty Fed has completely lost its mojo. They pump astronomical sums of fake money and nobody believes them anymore.

<https://www.zerohedge.com/s3/files/inline-images/bfmDFA3.jpg?itok=XJgYful1>

The next step is going to involve handing cash directly to the people. MI6 sources are saying each person will be sent one or two thousand dollars every month until the crisis ends. U.S. Treasury Secretary Stephen Mnuchin is talking about \$3,000 for each family of four, more unemployment insurance and \$4 trillion in liquidity to "support the economy." European royal family sources say a write off of all debts is also now in the works. <https://www.zerohedge.com/markets/whirr-helicopter-blades-regime-change-coming>

The other thing that is going on is that the Western system of crony capitalism is being dismantled. Since most financial institutions and large corporations will go bankrupt from the predicted 50% fall in GDP, they will end up being nationalized, P3 Freemason sources say.

This process has already begun in Germany where they have launched **a massive quasi nationalization of every industry**. <https://www.zerohedge.com/economics/debt-brake-finally-breaks-austere-germany-issue-eu356bn-new-debt-amounting-10-gdp>

The system will be replaced by a communist/capitalist hybrid system modeled after the very successful system pioneered by Japan after WW2 and improved upon by Singapore and China, both P3 and MI6 sources say.

Ok now let us take a look at other aspects of the ongoing hybrid world war that is underway.

Pentagon sources say the "The 3/11 quake in upstate NY and 3/18 quake in Salt Lake City Utah may have destroyed cabal

quake in San Francisco, that may have destroyed cabal underground bases." The same applies to the March 22 earthquake in Croatia. <https://news.yahoo.com/damage-reported-croatian-capital-zagreb-064118573.html>

The sources also say:

Trump ally former house speaker Newt Gingrich appears to be the de facto Governor of Italy since he is 'trapped' there and his wife is U.S. Ambassador to the Vatican.

Plus:

The Zionists are losing control as Israeli shill Nikki Haley was forced to resign from Boeing's board. At the same time, the Shyster Israelis full of hubris signed their own death warrant when they refused to turn over 911 perps and source code for the iron dome to the U.S. military that was funded by U.S. taxpayers.

We also heard from CIA sources in South East Asia that there was a "massive electromagnetic radiation disaster near Wuhan." Furthermore, this caused "a tear in the space-time continuum," they say. The sources add, "The Chinese have technology and devises that we are not aware of."

Regardless of these hidden events, it is clear that economic activity in Japan and China are now reverting back to normal despite what is going on in the west. <https://www.ctvnews.ca/health/coronavirus/satellite-images-show-resurgence-of-air-pollution-over-china-1.4861849>

The Japanese are also disobeying orders from their former Khazarian mafia masters and are no longer going along with the pandemic performance art show. <https://www.japantimes.co.jp/news/2020/03/22/national/science-health/japan-coronavirus-testing/>

However, there is severe warfare going on in the West where we are seeing all sorts of former top political and business players vanishing. The latest appears to be German Chancellor Angela Merkel who is "under home quarantine." The 27-member EU block has shut its borders and Belgium, France, Portugal, Spain, and Italy are under lockdown as mass arrests begin, NSA sources say. Poland has gone as far as to shut its borders with other EU states. <https://apnews.com/046150de70200b0f70a1534458bed939>

We are also seeing possible cabal ecocide near Saudi Arabia as they threaten to kill the Red Sea by blowing up a tanker and creating a

massive oil spill. <https://www.thenational.ae/world/mena/arab-nations-sound-alarm-over-oil-tanker-moored-off-yemen-1.995369>

Despite these sorts of threats, wildlife has already been returning to cities and flourishing as a result of the ongoing changes in our economic management. Soon our cities will be covered in green and filled with small animals. <https://www.theguardian.com/world/2020/mar/22/animals-cities-coronavirus-lockdowns-deer-raccoons>

Finally this week, I would like to share something unusual that happened the other night. When I was relaxing in a meditative state of consciousness one evening, I wrote the following on a box of tissues: "Pseudo Caria effect = placebo jumps to higher fractal state." I can assure you that I had no idea what this message meant and it did not come from me or my sub-conscious but was dictated to me telepathically.

Internet research led to a single reference for "pseudo-Caria." It appears that by planting just a single species of shrub in the desert, a butterfly effect occurs that leads to the desert turning into a forest. The shrubs allow trees to get started, and these then capture moisture and the entire eco-system changes.

This sort of process is also known as a fractal phase change. A familiar example is boiling water. The water builds up heat until it suddenly starts to boil and the water turns to steam.

What we are trying to accomplish with the "placebo" or fake pandemic and end times is to trigger such a phase change on a planetary level. The aim is to transform the planet into a higher state, with details in the months to come so stay tuned.

When the White Dragon Society and its allies win this secret war for the planet Earth, before too long there will be humans living on other planets as our species undergoes an exponential expansion. This is what happens when sperm meets egg in a womb only this time the womb is Gaia herself.

## **Deathbed confession rewrites British WW2 history**

By [Benjamin Fulford](#) [Letters to the Editor](#) [29 Comments](#) A former colonel in the United States Air Force, Leroy Fletcher Prouty served as Chief of Special Operations for the Joint Chiefs of Staff under President John F. Kennedy.

(This is a statement from Fletcher Prouty on his deathbed, written down as he dictated)

Lord Rothschild sent his five sons to the world's capitals to instigate wars and then loan the money to carry them out. Before a world war, the banks claw back every penny to then lend out at profit in the conflict.

The 1917 Russian revolution is sometimes called the Jewish revolution because the Jews used communism to seize the country and the Czar's huge monetary assets in the London and Paris banks. The remit of communism was to take the wealth of the people, rich and poor, and consolidate it in the hands of a very few called the elite, but done in such a way that the people thought it was being done for them. Russia was robbed and thousands of churches were pillaged and burned, and millions of Christians murdered.

Rothschild then concentrated on Britain, clawing out the money where the Jarrow hunger marches were in protest over those dying of starvation. Lord Rothschild told his homosexual apostles that a communist government was coming to Britain, and he predicted it by the year 2000. He told them it may not be called that but that is what it would be.

Germany under Adolf Hitler broke free of the international bank scammers and declared its own currency and the amazing success of this made the bankers worry as other countries could follow suit, & many in England wanted to adopt the German economic system. Charles Lindberg wanted to introduce it to the USA. Lindberg was a hot favorite to run for political office, but the Jews took his baby son and in a Passover sacrifice of Rosh-Chodesh on March 1st ritually murdered the child. Lindberg had to retire from the election race, and a halfwit German national was charged with the crime and executed.

So New York and London became the main areas of the Jewish rebellion against the Germans who dared to throw out the Jewish bankers. Jewish led newspapers joined Hollywood and the BBC in issuing hate propaganda to initiate a war on Germany. This despite Neville Chamberlain's four-year secret study into the aims and directives of the Third Reich, showing Germany had no intentions toward Britain, only to stop the constant threat of the Soviet communists.

Lord Rothschild from around 1933, but in particular in 1936, had bulletins read out in every synagogue across the UK saying Jewish people prepare for war, get into any manufacturing concern that will accommodate this. Herbert Morrison (Peter Mandelson's grandfather) was posted by Winston Churchill as Home Office Procurement Minister who made sure all MOD contracts went to fellow Jews. Jews were told especially from 1936 to buy up any small manufacturing concerns like making boots helmets shell cases uniforms weaponry etc. as war was coming.

The Home Office would send out the order for what it wanted to these firms who would then say how much in materials it needed to complete the task. They always ordered almost double the material needed and some of these Jewish firms found themselves very rich by the war's end. These Jews would bribe members of parliament to demand the government order more uniforms, more Hillman staff cars, more rifles or more army shirts or whatever the Jewish owner wanted to sell more of.

It was only after the war when huge stocks of army surplus took 25 years to sell off that the penny dropped that the Jews had robbed the British people again. I myself saw an East End button making firm's wartime books, they made buttons for military tunics, and the profits were astronomical. Some firms were using sheets of non-ferrous metal, from wartime orders into the early 1960s. One firm had a contract to make so many million gas masks, and to complete that contract were still making them in 1968; they all lay rotting in a leaky warehouse.

This is why Jews were called 'war profiteers' and what they gained in this way, be it food for workers or whatever, was often sold for cash. And this was why Jews were called the 'black marketeers.'

Churchill's bodyguard Walter Thompson said Marks and Spencers dealt with all MOD food supplies, and Burton tailoring made all the uniforms and demob suits. Monetary kickbacks went to Herbert Morrison, Winston Churchill, and Lord Lendeman.

However, King George V was not happy with the Jews push for war,

and began to speak openly that he had seen his country smashed in WW1 and would not allow it again. So Winston Churchill and Lord Rothschild spoke to the King's doctor Bertrand Dawson who gave the King a fatal dose of morphine. However, the King realized what they had done and his last words were to Dawson 'God damn you!'

This murder was a state secret, but once I had been told of it, the official statement was then released that the King was dying and they just sped his death up to meet the morning papers' deadline. Justice was later served, as Lord Dawson of Penn was himself silenced in March 1945.

King Edward VIII we are told had to abdicate to marry Wallace Simpson. This is a lie. He was forced out by Churchill because he kept trying to make peace with Germany.

Neville Chamberlain, listed as the most popular Prime Minister ever and one who wanted to keep Britain out of the war, died mysteriously in November 1940. His death certificate said, 'causes unspecified.' It's such nonsense for the most important man in the land to have this written on his death certificate, so it was later changed to 'bowel cancer.'

Churchill's bodyguard Walter Thompson claimed before his death that the deaths of Chamberlain, King George V, Mahatma Ghandi and the intelligence chief Vernon Kell, were among a batch of murders ordered by Lord Rothschild for Churchill to oversee.

The Churchill gang killed FDR according to Stalin, too!

#### WHO KILLED FRANKLIN D. ROOSEVELT?

February 9, 1986 issue of the nationwide Sunday Supplement magazine "PARADE."

The World War II Cairo conference between Pres. Roosevelt, Prime Minister Churchill, and Generalissimo Chiang Kai-shek ended on Oct. 26, 1943. That evening I was given orders to fly a group of participants from Cairo to Tehran. Up to that time, I had not been aware that there was going to be a Big Four meeting of the Super-Powers in Tehran.

As I went out to the plane that morning to get it ready to go, two limousines came from the city. They were T. V. Soong's Chinese delegates. I flew them to Tehran that day.

En route, I stopped at Habbaniyah in Iraq for refueling, and while on the ground an Air Force B-25 arrived with an old friend of mine flying it and with I. Col. Elliott Roosevelt the President's son. I

trying to get him to get Elliott Roosevelt, the President's son. He introduced him and Roosevelt to the Chinese, and vice versa.

I don't know whether any of you ever realized this, but years later the fact that Elliott Roosevelt had gone to the Tehran conference brought up one of the most amazing untold facts in our history. I can only imagine why more had not been written about it.

Because Elliott had met Stalin in Tehran with his father in 1943, in late 1946, Gardner Cowless, publisher of LOOK magazine asked him to go to Moscow to interview Stalin.

Roosevelt accepted this offer and did interview Stalin there. At the end of a long interview, he turned to the Generalissimo and asked one more question, "Why is it that my mother has never been permitted to visit Moscow even though she has made three very formal applications for the trip?"

Stalin glared at Elliott and said, "You don't know why?"

Elliott replied, "No!"

Quickly, Stalin responded, "Don't you know who killed your father?"

Roosevelt-shocked-answered, "No."

Stalin rising from his chair, continued, "Well, I'll tell you why I have not invited her here. As soon as your father died, I asked my ambassador in Washington to go immediately to Georgia with a request to view the body." Stalin believed that if Gromyko could see the body he would confirm that the cerebral hemorrhage that had caused his death had caused extensive discoloration and distortion.

Elliot responded that he knew nothing about that and then Stalin said, "Your mother refused to permit the lid of the coffin to be opened so that my ambassador could see the body." Adding "I sent him there three times trying to impress upon your mother that it was very important for him to view the President's body. She never accepted that. I have never forgiven her."

This forced Elliott to ask this last question, "...but why?"

Stalin took a few steps around the office, and almost in a rage roared, "They poisoned your father, of course, just as they have tried repeatedly to poison me."

"They, who are they," Elliot asked

"The Churchill gang!" Stalin roared "They poisoned your father and

The Churchill gang. Stalin feared, "They poisoned your father, and they continue to try to poison me...the Churchill gang!"

I had heard, while in Tehran, that Roosevelt and Churchill had had a strenuous argument in front of Stalin and Chiang during the conference on the subject of decolonization of South East Asia. I have read it in a government publication of the time. Then, this account of Elliott's visit to Moscow in 1946 was written and signed by him and appeared in the February 9, 1986 issue of the nationwide Sunday Supplement magazine "PARADE."

<https://prouty.org/comment1.html>

(Ps Many of us ~ including several future billionaires ~ grew up as very close friends of Parades Magazine publisher's brother & his wonderful family ~ who also worked for Parade Magazine back then in Edina, Minnesota ?)

Reason? Just go to the B.I.S. (the granddaddy of Rothschild's banking empire) history in Wikipedia & 'they' leave that info right there for EVERYONE to see?

The 1944 Bretton Woods Conference recommended the "liquidation of the Bank for International Settlements at the earliest possible moment". This resulted in the BIS being the subject of a disagreement between the U.S. and British delegations. The liquidation of the bank was supported by other European delegates, as well as Americans (including Harry Dexter White and Secretary of the Treasury Henry Morgenthau Jr.).[11]But it was opposed by John Maynard Keynes, head of the British delegation.

Keynes went to Morgenthau hoping to prevent or postpone the dissolution, but the next day it was approved. However, the liquidation of the bank was never actually undertaken.[12] In April 1945, the new U.S. president Harry S. Truman ended U.S. involvement in the scheme. The British government suspended the dissolution, and the decision to liquidate the BIS was officially reversed in 1948.[13]

**It's getting biblical folks as Pope vanishes, Mecca shuts down for the**

# **first time in history**

By [Benjamin Fulford](#) [Weekly Reports](#) [439 Comments](#) The events that are now unfolding have gone beyond black swan and become biblical in their proportions.

In the Islamic world, Mecca has shut down for the first time in history. <https://www.indiapost.com/corona-virus-is-god-unhappy-with-mankind/>

Among the Christians, the pope has vanished and Queen Elizabeth has gone into hiding (see the very revealing letter to the editor following this report that may explain the real reason she is hiding).

Meanwhile, the Jews are being liberated for the first time in 5,780 years as they oust Satan-worshipping Benjamin Netanyahu from power. <https://www.debka.com/opposition-leader-gantz-to-be-charged-with-forming-government/>

The trigger for these events was a refusal by the Chinese people, on February 16<sup>th</sup>, 2020, to pay any further tribute to the ancient Satanic bloodline families. This happened when Chinese leaders told the United States Corporation they would not ship any more physical stuff unless they are paid with things that actually exist in the real world. In other words, they broke the ancient Satanic money magic illusion.

The so-called pandemic that ensued was a combination of a biological and electromagnetic warfare retaliatory attack on China. Although the attack apparently caused mass casualties in Wuhan, it failed to intimidate or bow the Chinese people.

Chinese foreign ministry spokesman Zhao Lijian publicly asked:

"When did patient zero begin in the U.S.? How many people are infected? What are the names of the hospitals? It might be the U.S. army that brought the epidemic to Wuhan. Be transparent! Make public your data! The U.S. owes us an explanation!"

For a government spokesperson to say such things is tantamount to a declaration of war (See the late-breaking news below for the answer by the U.S. white hats).

What people are now witnessing is a desperate battle by the ancient ruling Satanic bloodlines to scare people back into submission with pandemic fear porn. For example, when I looked at the first 40 stories on the international news Reddit feed, 35 of them were about the so-called pandemic

the so-called pandemic.

One Pentagon source observed:

"The extremely long list of celebrities and first ladies (Spain, Canada) all coming out to announce that they allegedly have Covid-19. So many in fact it's absolutely ludicrous, considering that they never frequent the subway or mingle with the unwashed and the deplorable. The list included over 157 people, which doesn't compute with the true statistics of non-celebrities diagnosed with it."

Let's stop for a minute to think rationally about this so-called pandemic. Every year about 15 million people die from respiratory ailments. Even conservative estimates say the flu kills over 300,000 people annually. And yet here we have extreme hysteria over a few thousand deaths of people whose average age is 80-years old. <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC6815659/>

[https://q13fox.com/2020/03/08/us-surgeon-general-says-he-thinks-coronavirus-is-contained-in-certain-areas-of-the-country/?\\_twitter\\_impression=true](https://q13fox.com/2020/03/08/us-surgeon-general-says-he-thinks-coronavirus-is-contained-in-certain-areas-of-the-country/?_twitter_impression=true)

What is really going on is a global slave revolt against ancient Satanic bloodline ruling families who are now being systematically hunted down by special forces, according to multiple sources.

Already, many of the ancient bloodline families are trying to negotiate surrender terms, P3 and WDS sources say. "Old black nobility families are ready to surrender," confirms Vincenzo Mazzara of the P3. The Rothschilds and other families hiding in Switzerland and New Zealand are also negotiating surrender, WDS sources say.

We are also hearing tales from the Gnostic Illuminati and the P3 Freemasons of a war that has been raging for thousands of years. They say planet Earth was placed under quarantine thousands of years ago after a powerful entity...

fled to the surface and enslaved a group of humans. This entity is what is referred to in the Bible as Satan, according to them. The people they enslaved are what we refer to as the Jews, they say.

A more rational, scientific explanation is that an ancient group of human slavers has been running a monotheistic scam to enslave a huge percentage of the world's population. These families split into squabbling factions we know as Catholics, Protestants, Muslims, and Jews. That is why the ongoing revolt against their collective rule can be called biblical.

"We have been stuck on this planet for thousands of years and all we can do is repeat the same old strategies over and over again," one senior Satanist admits. That is why they have tried bird flu, ebola, zika, and other pandemic scares one after the other in recent years to keep the population intimidated, he admits.

This has been going on at least since the engineered "Spanish Flu" pandemic of 1918, which only killed young soldiers who had been vaccinated.

For another example, take a look at the "CBS 60 MINUTES" documentary on the swine flu epidemic of 1976 in the U.S. It went on air only once and was never shown again. Listen to the testimony of people who experienced Guillain-Barré paralysis because of the swine flu vaccine. They sued the U.S. government for damages. The 500 cases of Guillain-Barré paralysis, including 25 deaths – were not due to the swine flu itself – but as a direct result of the vaccine. At the time President Gerald Ford, on advice from the CDC, called for vaccinating the ENTIRE population of the United States. <https://youtu.be/f1jV3tJ2Lqw>

So please do not let them carry out (mandatory) mass vaccinations on the pretext of a (fake) "deadly pandemic" because that will cause a real pandemic.

Let's take a closer look at what's happening to their financial system. The chart at the link below shows what's happening now in red, as compared to what happened in previous bear markets. It's clear this is no ordinary financial crisis. <https://www.zerohedge.com/s3/files/inline-images/speed.png?itok=zs9og0U5>

This quote from Zero Hedge illustrates how the Feds monetary illusion has evaporated:

"After firing the [biggest emergency "shock and awe" bazooka in Fed history](#), one which was meant to restore not just partial but full normalcy to asset and funding markets, E-mini futures are not only not higher, [but tumbling by the -5% limit down](#)" <https://www.zerohedge.com/markets/houston-we-have-big-problem-futures-crude-tumble-open-gold-soars>

CIA sources say the Dow Jones Industrial average will have to fall to at least one-third of its peak value in order to be in line with historical trends.

With the U.S. no longer getting ships full of real goods in exchange for its illusory "money of account" fractional reserve lending "digital credit" money, it is a mathematical certainty that stores will become

empty and major U.S. banks will go bust. [http://www.thecourierexpress.com/xi-jinping-visits-wuhan-as-china-declares-success-in-fight/article\\_82666aba-c0d6-55d6-83f8-68558f7b41ab.html](http://www.thecourierexpress.com/xi-jinping-visits-wuhan-as-china-declares-success-in-fight/article_82666aba-c0d6-55d6-83f8-68558f7b41ab.html)

Now let's look at reports about the ongoing secret war from the Pentagon and CIA. Here is a summary of the action from one Pentagon source:

"The Zionists are on their deathbeds as Harvey Weinstein gets sentenced to 23 years in prison in NY, paving the way for convictions in LA.

Since Prince Andrew is a naval officer who aided Jeffrey Epstein but refused to cooperate with the DOJ, and the queen was locked out of Windsor Castle, UK royals may be renditioned by the U.S. military since they are also military officers.

Italy is apparently under U.S. military protection while the country is under lockdown...its army chief succumbed to coronavirus infection, and the Vatican needs to be cleansed of gays, Satanists, and pedofiles.

Anti-family, anti-Christian Hollywood is under assault as Disney theme parks and movie theaters close, and film productions shut down. Tom Hanks and his wife got infected with the coronavirus, Nicole Kidman moves back down under, and Stephen Spielberg may be exposed for his crimes with children."

Even more shocking is this report that came from the CIA just as this blog was about to go live:

"This morning at 4:30 a.m., Canadian Prime Minister Justin Trudeau was served a criminal indictment by the U.S. for corporate and financial crimes. Media owners were instructed to brainwash everyone that Trudeau and his wife are infected with the coronavirus and they won't be leaving their house for a while.

Tom Hanks was arrested 48 hours ago for pedophilia and he is currently being held in a hotel room in Australia, unwilling to fly back to the USA. The next celebrity arrests will be Celine Dion, Madonna, Charles Barkley, and Kevin Spacey. All will claim coronavirus infections.

Italy's airports have been completely shut down, as over 80 Vatican and financial officials have been served the same

vatican and financial officials have been served the same criminal indictments for financial crimes, pedophilia, child trafficking, and sexual abuse.

The United Arab Emirates have completed mass arrests of their own Royal Family and affiliates.

Convicted Hollywood rapist Harvey Weinstein agreed to a deal in exchange for his testimony against hundreds of top Hollywood celebrities for their involvement in the drug business, pedophilia, and child trafficking. Instead of a 55-year sentence, he only received a 23-year sentence. In exchange, he provided testimony against some of the biggest and most powerful names, including Prince Andrew of the U.K., former president Bill Clinton, former vice president Joe Biden, Tom Hanks, Oprah, Ellen DeGeneres, Quentin Tarantino, Charlie Sheen, Bob Saget, Kevin Spacey, John Travolta, Steven Spielberg, John Podesta, NXIVM and PIZZAGATE sex trafficking clubs, and hundreds more who all were directly involved with Jeffrey Epstein.

Jeffrey Epstein was similarly allowed to make a deal and have his suicide in prison faked in exchange for his testimony.

CEOs of some major world corporations have been indicted or arrested, and some have been forced to resign — all in the last 30-60 days — such as the CEOs of the NBA, Harley Davidson, the Bill Gates Foundation, Intel, McDonald's, Cesar Awards, Disney, and the Vatican Chief of Police among others. Approximately 700-800 more resignations are coming in the next 3 months.

The lab-engineered 'novel coronavirus' is the cover story for a mandatory vaccination agenda. Now it has become the biggest covert U.S. Intelligence operation the world has ever seen. This massive – 158,000 arrests – operation will capture and remove the biggest evil and corrupt politicians, celebrities, and CEOs, including global elites and bankers such as George Soros, U.N. officials, and the founders of 'GRETA Inc.'

President Trump will win the 2020 election, and arrests of former U.S. presidents will occur in early 2021. All major arrests will be portrayed by the media as accidental or as conspiracy theories. All arrested individuals will be given "Rommel Death", meaning that they will have a choice between their death being portrayed to the public as a suicide or an accidental death in return for assurances that his or her reputation will remain intact. Alternatively, they can choose to face a criminal trial that would result in public disgrace.

Some top religious leaders will be arrested or forced to resign, and some will suddenly 'get sick.' The Vatican will be the first, and the Pope will be removed in 2020. The distribution of extracted human Adrenochrome will be revealed, and Hollywood and the Vatican will be exposed as being directly responsible.

There will be a 2-month complete shutdown of the world's most common operations, such as schools, the stock exchange, some banks, airports, shipping, travel, events, galas, expos, sport games, sport championships, music award ceremonies, NBA/NHL/Baseball games, and ship cruises. There will be food shortages and staged electricity power loss. Gas prices will go down, food costs will go up, insurance will go up, gold and silver stocks will fall, and many corporations will either go bankrupt or take a significant financial loss, such as in the case of what's about to happen to Air Canada, Disney, and Coca-Cola."

Other unconfirmed tidbits from intelligence agency sources are as follows:

"Nancy Pelosi died within the last 24 hours. The coronavirus will most likely be reported as the cause of death when the public announcement is made."

"Steven Mnuchin will be removed very soon. He is an agent of the Khazarian cabal. The time has come to cut him loose as he knows too much about their inside dealings, including thefts from the U.S. Treasury. Will he succumb to the coronavirus?"

"Boeing Company will go under. It is finished. All aircraft service centers will be shut down globally. Maintenance facilities will be closed globally. Aircraft sales have already stopped. Leases canceled. Boeing will bring down Lockheed-Martin. They have their tentacles circling the globe. This will bring down the cabal".

"Oil can drop to \$5 a barrel as nobody wants it anymore. New technologies are ready to be released."

It is finally happening, humanity is waking up from a long and terrible nightmare.

## **US Presidential Election, Tokyo Olympics cancelled? Engineered pandemic ushers in World Government**

By [Benjamin Fulford](#) [Weekly Reports](#) [565 Comments](#)

The controlled demolition of the Khazarian mafia financial system is now visible for all to see. The 30% plunge in oil prices, the meltdown of stock and bond markets and a freeze in world travel and trade are all being orchestrated in tandem with a fake pandemic, multiple sources confirm. The pandemic, which is mostly a media event, and the financial collapse, which is real, are the cover being used to usher in a world republic, P3 Freemason, Illuminati and CIA sources all confirm. The trigger event was the default on February 16th of the U.S. Corporate Government, they say.

The aim of this controlled demolition is to remove Satan-worshipping, genocidal criminals from the apex of world power, Pentagon and other sources say. This will allow the release of forbidden technology and usher in a new age of wonder, they add. For example, old age will soon be a treatable condition, the sources say.

To make this possible, a ruling class that has been trying to kill us with pandemics, carcinogens, war, etc. is being systematically hunted down and brought to justice, they add. They elaborate:

"U.S. troops sent to Europe for a NATO exercise may also engage in arrests of Zionist and deep state assets not just in Switzerland but Brussels, Antwerp, Berlin, Paris, Amsterdam, and London."

Inside the U.S. meanwhile, the Presidential election process has already degenerated into a farce with the Democratic nomination being obviously stolen for a senile, corrupt Joe Biden. Here is an example of the nonsense Biden is spewing:

"If you want to nominate a Democrat, a lifelong Democrat, a proud Democrat, an Obiden-Bama Democrat, join us." <https://www.zerohedge.com/political/stop-calling-it-stutter-here-are-dozens-examples-bidens-dementia-symptoms>

One CIA source summed up the situation in this way:

"Trump is set to be the next president as he will declare martial law, to protect the people of course. It's estimated that up to 70% of Americans will be affected. He will cancel the elections. May he be the last President standing? He has been aware of this maneuver for a long time. The dominos are starting to fall."

The number of sealed indictments in the U.S. is now close to 160,000 and 1,613 indictments have actually been acted upon. So now it looks like many of these corporate crooks will finally end up in jail where they belong. [https://docs.google.com/spreadsheets/d/1kVQwX9I9HJ5F76x05ic\\_YnU\\_Z5yiVS96LbzAOP66EzA/edit#gid=1703320056](https://docs.google.com/spreadsheets/d/1kVQwX9I9HJ5F76x05ic_YnU_Z5yiVS96LbzAOP66EzA/edit#gid=1703320056)

There has also been a record number of corporate bosses quitting or losing their jobs since January. An NSA source elaborated by saying, "The President has ordered a full-scale investigation of all communications across the...

Gates Foundation, Event 201, WHO, CDC, and the major companies in the U.S. and UK that have the most to gain from the fake pandemic. An investigation of insider trading and media authors "on the take" is also underway. CIA sources say this is intended to stop what has been detected in the past week:

"New bio-war attacks in which the live virus is being spread by drones and other means in Italy and Iran, with selected

by drones and other means in Italy and Iran, with selected drops taking place in other countries to keep the fear alive."

In Hong Kong, health officials will start clinical trials with a still-unproven antiviral drug Remdesivir (Remdesivir is an Ebola drug) to treat the new coronavirus, according to a CIA doctor. "The cost as will be around \$1,000 for a course and governments will pay the pharmaceutical company of course," he notes.

The company behind this is the Gates Foundation owned Gilead Sciences. "Imagine just 10 million doses to start with globally. This is \$10 billion alone. Plus look at what their stock prices will do. <https://www.biopharmadive.com/news/coronavirus-remdesivir-gilead-antiviral-drug-covid-19/573261/>

At the top of this particular pyramid can be found, George P. Shultz,

Director Emeritus, Gilead Sciences. Deep stater Shultz was U.S. Secretary of State from 1982 to 1989 and has also been Secretary of the Treasury. He was also head of the Bechtel Group that many Japanese believe was involved in the Kobe Earthquake that killed 6,000 people in 1995.

One CIA source says:

"Gilead could be sitting on close to \$20 billion in untapped stock market value, provided it has success with a potential new coronavirus vaccine. They will milk this for every penny their greed can steal. Imagine what else is in the vaccine, an RFID chip perhaps?" <https://finance.yahoo.com/news/coronavirus-vaccine-could-add-billions-in-value-to-gilead-161233464.html?guccounter=1>

In any case, this doctor and other sources agree the Zionist Cabal is using a bio-weaponized coronavirus scam as a cover. The virus seems to be only killing elderly people with underlying health conditions, mostly pneumonia, they say. "Notice there are no children or teenagers affected so far," the doctor notes.

So a mild virus that mostly affects old people close to death is being used to spread global fear and will end up with most governments in all countries closing their borders, out of fear porn. "The world will be on lockdown. Then they will attempt to vaccinate everyone on the planet by mandate. The boys are in total panic mode," a CIA source predicts.

Here in Japan Zionist slave Prime Minister Shinzo Abe has been trying to use the fake, exaggerated pandemic to usher in martial

law. Instead, Abe is going to be removed, CIA sources promise. They also say:

"Abe deserves everything he will be given. It will be interesting to see if he tries to make a deal and sing like a canary. For sure he will have a fatal accident or slip and fall on the soap in the shower and break his neck before he is able to spill the beans."

There is also a battle raging in the Vatican. "Pope Francis was deliberately given a mutation of the virus. He will die soon. The Vatican will try and cover it up until they have a clone/body double in place. This way they can control the narrative for the masses," a gnostic Illuminati source says. P3 Freemason sources, however, say Francis had only mild symptoms and is recovering.

In the UK as well, Brexit is leading to a purge of German double agents. MI6 and Pentagon sources say. Here is more on the fight from a Pentagon source:

"After the firing of UBS. Credit Suisse Ceo, Barclays CEO Jes Staley may be another casualty as it appears Jeffery Epstein may have groomed this former JP Morgan banker and blackmailed the UK parliament to get him the top job."

A former Barclay's banker accuses "the board and executive committee of Barclays bank PLC from 2011 to the present," of stealing and hijacking the technology for the quantum financial system.

Meanwhile, a senior MI6 source says the following people need to be arrested in order to end deep state control of the UK and Ireland:

"Queen Elizabeth in the Court of St. James, Prime Ministers Cameron, May and Johnson, President Michael D. Higgins of Ireland, the joint directorate of MI5/MI6 Andrew Parker and Alex Younger, Irish civilian police commissioners Noireen O'Sullivan and Drew Harris, Baron Nathaniel Rothschild and UK and Irish cabinet secretaries Mark Sidwell and Martin Frazer both German double agents. These two men essentially run both countries irrespective of the Prime Minister of the Day."

There has already been a purge in Saudi Arabia where a Zionist takeover attempt was thwarted. Three princes and dozens of military and ministry of the interior officials have been removed as a result. Immediately after the purge, a major oil war began. Both Russia and Saudi Arabia are flooding the world with oil even as the "pandemic" has radically cut demand. A senior CIA source says:

"Oil is out of date and most likely will drop to \$10 per barrel before this is finished. The new energy technologies are ready to be released by Trump."

One example of this type of technology at the link below would make hydrogen much cheaper than oil. <https://www.popularmechanics.co.za/science/hydrogen-made-using-rust/>

This oil price collapse is putting an end to the oil for U.S. dollars scam the Zionists have been using to extort the U.S. and the world since the 1970's. They are being brought down NOW, CIA sources say.

Pentagon sources agree noting Israeli Defense Forces personnel have been "banned from foreign travel as a resolutely stiffened International Criminal Court lowers the boom on not just war crimes of Israel but those committed by U.S. forces and the CIA in Afghanistan."

Pentagon sources add that:

"ICC probes may expand to CIA drone strikes, Afghan drug trafficking and Israeli war crimes against Syria, Yemen, Iraq and Lebanon, as well as for using airliners as human shields."

The sources also note:

"Third time is not the charm as war criminal Bibi [Benjamin Netanyahu] may finally be deposed as PM, and Trump may have outsourced arrests of Zionists to the ICC."

Netanyahu, like his puppet Abe, is trying to use the "pandemic" as an excuse for martial law. But the Israeli armed forces are not going to fight their own people on behalf of this Satan worshipping pseudo-Jew, Mossad sources promise.

We are also getting mixed intelligence about the situation in China. CIA sources in South East Asia who interviewed Thai citizens recently evacuated from Wuhan say:

"The situation is far worse than what is being told in the media, people are bleeding out from the nose eyes, ears and lungs now. It is spreading much faster than anticipated. The actual deaths in Wuhan are close to 3 million. The city is the largest cemetery on the planet. It will remain on lockdown. This started near Wuhan where there was a massive

electromagnetic radiation disaster, connected with 5G. The microwave blast cooked the citizens from the inside out. The release of the virus occurred at about the same time to adjust the narrative. The massive pollution there added to the catastrophe. There was no culling ordered by Xi Jinping. More fear porn. There is a massive cover-up. This accident may be China's Chernobyl."

A Chinese agent in Tokyo also says the situation is worse than the government admits. Asked about Taiwanese and Russian reports that President Xi Jinping had been replaced, the source only said: "there are several Xi Jinpings." Japanese businessmen with extensive links to China, however, say production is returning to normal across much of the country.

To summarize, here is what we are seeing:

Airlines grounded worldwide.

Almost all travel stopped.

Hotels, restaurants, and resorts empty around the world

Oil price collapse

A global stock market rout of between 40-50 %

Global financial collapse

"Wall Street will be closed," the P3 Freemasons promise so:

Game, Set, Match. Reset! The Phoenix Rises and a New Age dawns.

## **Pandemic show aims to launch world government, Project Blue Beam next**

By [Benjamin Fulford](#) [Weekly Reports](#) [385 Comments](#) The fake coronavirus pandemic now being promoted around the world is aimed at creating a world republic, P3 Freemason sources say. The coronavirus fear is also being used by the U.S. Corporation as an excuse for their February 16th default. Just like the proverbial

excuse for their February 10th default. Just like the proverbial schoolboy who said, "The dog ate my homework." These people are saying, "The virus ate my financial system." That is more face-saving than saying, "I got cut off because I haven't been paying my bills for 40 years." In any case, what this means is they have lost the ability to create central bank funny money to prop up markets and keep themselves in power.

The owners of the U.S. Corporation have been using a coincidental mention of a deadly virus in a 1980's book to propagate the message they have planned these events years ago. They used this to tell the Asians to "rollover our bonds or face the music."

The propaganda rag Popular Mechanics, of 9.11 BS infamy, has contributed to their fear-mongering with the following headline:

"Welp, Scientists found 28 new virus groups in a melting glacier. This is how the world ends." <https://www.popularmechanics.com/science/health/a30643717/viruses-found-melting-glacier/>

The answer given was "we will face the music," Asian Secret Society sources say. "When the current battle of humanity versus the virus ends, a new battle will begin for sure." they acknowledge, indicating they are in for the long haul.

The good guys in the West, for their part, know the Chinese characters for crisis 危機 mean "danger" and "opportunity," and are using this default to try and usher in a more benevolent system for taking care of the planet Earth.

To this end the White Dragon Society has proposed the activation of a "Project Blue Beam" type event to the Anglo Saxon, "Five Eyes" alliance, WDS sources say. Project Blue Beam is a fake end-times scenario using holograms, computer graphics, and real military displays, they say. The idea would be to stage what is known as a liminal event, something like a wedding or a coming of age planetary ceremony, the sources explain. The proposal has not been finalized at this point, they add.

While attempts have been made to debunk Project Blue Beam, <https://allthatsinteresting.com/project-blue-beam-serge-monast> there can be no doubt it's technically possible. The ability to project giant holograms in the sky was proven in combat during the second Iraq war. Also, the use of computer graphics on TV news could now easily create a WWII type scenario. By adding military forces in action, it would be easy to convince the sleepwalking majority that the event was real. Insiders like the readers of this newsletter could just relax and enjoy the show.

In any case, there can be no doubt that the ongoing coronavirus panic is designed to pave the way for emergency military rule and the start of a world republic. What people need to keep in mind though, is that it's all fake. Here, for example, is a frontline report from Italy on the pandemic:

Italian Governor Zaia from the Veneto region said:

"80% of all sick people heal by themselves, 15% need medication and 5% need to have hospital attention. All 17 people who died already, had advanced health issues. No healthy person who caught the coronavirus has died. It's an alarm with no foundation. In the beginning they reacted the way they did because they didn't have any real information about the virus. But after seeing what it is, the information is too exaggerated."

Before we describe more fakery though, we need to also point out some very serious special forces' battles that are unfolding in several key locations around the world. The most important action is now taking place in...

Zug, Switzerland, according to MI6 sources. A senior MI6 source said:

"We believe Baron Nathaniel Rothschild is housed at a compound in Zug, Switzerland. SIS has been dispatched to 'dislodge' this last obstacle. Switzerland is tricky because it is home to the CIA, as I am sure you already know, and also in the more esoteric world a group called Swiss Octagon, who are what remains of the pharaonic bloodlines and pretty tough/dark characters at that."

It is interesting to note that Japanese Royal Family sources have previously told us they also came from Egyptian pharaonic bloodlines. That is why a serious battle is also taking place in Japan, according to Japanese right-wing sources. In order to force the Zionist puppet government of Shinzo Abe out of power the 2020 Tokyo Olympics will be canceled, Japanese right-wing sources say. This will cause huge financial losses for Abe and his gangster friends and thus leave them open to payback, the sources added.

On the surface in Japan, there is already deep panic about the so-called "novel coronavirus." So far, schools have been closed nationwide, concerts and public events have been canceled and stores are running out of supplies. The photo below of a local supermarket, for example, shows all toilet paper and facial tissues have vanished from the shelves.

CIA sources confirm the "Zionist cabal is now being dismantled (it has been in play for over a year already)." They say the very top Zionists have gathered at the "den" in Zug Switzerland where they are being rounded up and readied for military tribunals.

The Zionist cabal is literally fighting for its life and is staging a massive propaganda attack against China with fake videos of people hanging themselves or throwing themselves out of windows, plus fake news about how half the country is dead already.

However, people I talk to in China say life is getting back to normal. Japanese businessmen who deal with China tell me dozens of factory managers they talk to tell them work is resuming. What is not resuming, though, is trade with the U.S. because the U.S. Corporation has had its credit cut off, Chinese sources say. That is why instead of admitting they can't get stuff from China because they defaulted, the Zionist propaganda is saying the reason is "everybody in China died."

Former CIA and U.S. Marine operative Robert David Steele describes the U.S. situation as follows:

"President Donald Trump has publicly declared the coronavirus a hoax but has been forced to backtrack by the political circus. He knows this was a false flag, he knows who is responsible, and he knows he is being lied to by both the CDC (which is managed by Never Trumper Nancy Messonnier who is Rod Rosenstein's sister) and the CIA (managed by John Brennan camp follower Gina Haspel)...the story in all its nuances includes a combination of biowarfare, 5G and satellite lowered immunity and radiation sickness misdiagnosed as the new virus (which is no worse than past viruses), and the information war waged by the City of London and Wall Street for insider trading and profit-taking."

There are reports now of fake coronavirus testing kits being sent around the U.S. as part of the scam to blame bankruptcy on a pandemic. There are also reports that the virus combines HIV and Ebola. The Pope has joined the circus by saying he has the new coronavirus and is speaking to the public from behind glass.

<https://www.axios.com/cdc-lab-coronavirus-contaminated-6dc9726d-dea3-423f-b5ad-eb7b1e44c2e2.html>

<https://www.rt.com/news/481837-coronavirus-research-cell-binding-hiv/>

Before you give in to the urge to panic though, please think back to Fukushima after March 11, 2011. The media, especially the fake media, was full of stories of how this was "an extinction-level event." Yet here I sit 200 kilometers from Fukushima and can report firsthand that there is no unusually high radiation and in fact, there was not even one death in Tokyo from radiation due to this Zionist fear show.

What is real though is that close to 20,000 people died from a tsunami caused by nuclear weapons planted in the seabed. Rest assured military tribunals will bring the perpetrators to justice. Mark my words...Benjamin Netanyahu et al will face a Nuremberg type trial.

The battle for the planet Earth is now entering a cleanup phase. One group that still has not surrendered is the German faction. MI6 summed up the situation in this way:

"The Germans are hopping mad about Brexit so they will kick and scream as their EU project breaks up before their eyes. The Vatican is already over and done."

Related to this is a huge fight in Malaysia aimed at preventing the public disclosure of flight 370-17 that would expose the Bilderberger-Nazi-Dutch royals. Prime Minister Mahathir Mohammed has been temporarily ousted from power as a result, but the battle is far from over. It's certainly no coincidence in this context that Goldman Sachs-linked fugitive financier Jho Low was spotted in Wuhan, China just around the time of the "coronavirus outbreak." <https://www.channelnewsasia.com/news/asia/coronavirus-1mdb-jho-low-spotted-in-wuhan-china-malaysia-police-12453776>

In the Middle East, meanwhile, we are starting to see a de facto alliance between Turkey and Israel as both countries realize that only together can they prevent Russia and the U.S. military from removing their governments from power. Turkey has begun flooding

Europe with refugees again while threatening to close the Bosphorus Straits. Israel, of course, is using its usual blackmail be it biological, sexual, nuclear or otherwise.

[A Global Shift coming – Coronavirus Fearporn the Trigger](#)

Benjamin gives his take on Trump's recent visit to India and discusses the coronavirus propaganda that's being used to create fear and topple the economy. Side effects are business's are moving ever quicker to India, Indonesia and other Asian countries as China is closed for business. A large number of high-level CEO's resign within 48hours from major companies, like IBM, Salesforce, Disney, Uber, etc... World Planning Agency is still being negotiated with the German Nazi faction causing friction. The goal is still to remove the central bankers and free the planet. To this end, it's happening and WE the people are awakening in droves.

## **Bill Gates surrenders to the Chinese as secret war rages on**

By Benjamin Fulford   [Weekly Reports](#)   [436 Comments](#)   The secret battle for planet Earth is raging on with England, Russia, China and the Pentagon leading the charge against the Satanic Khazarian mafia. In the biggest development last week, Microsoft's Bill Gates, fearing for his life, surrendered to the Chinese and is providing them with insider information about the Pharmacidical Mafia...Asian Secret Society and Pentagon sources say.

The official Chinese Xinhua News Agency reports Gates offered

The official Chinese Xinhua News Agency reports Gates offered \$100 million to fight the "new coronavirus." Chinese President Xi Jinping wrote to Gates:

"I support your cooperation with relevant Chinese institutions, and look forward to enhanced coordination and concerted efforts in the international community for the sake of health and well-being of all." [http://www.xinhuanet.com/english/2020-02/22/c\\_138807761.htm](http://www.xinhuanet.com/english/2020-02/22/c_138807761.htm)

The "relevant Chinese institutions" Gates is cooperating with most certainly include the Chinese secret services.

Asian Secret Society sources told the Pentagon last week that they are aware the bioweapon attack on China was carried out by the same people who assassinated President John F. Kennedy and orchestrated 9.11.

The Asians and the Pentagon are thus cooperating and sharing pinpoint information to ensure all guilty parties "are led to justice."

Now we need to look at the role of U.S. President Donald Trump and his regime in this whole business. A key hint is the escalation of the panic surrounding the "coronavirus," otherwise known as the common cold virus. It's spread intensified in earnest after the U.S. corporate government formally defaulted on February 16th. This pandemic is being staged to provide cover for the cut off of credit (and thus deficit-financed imports) that the U.S. is experiencing right now.

We also note that Trump has lost much of his military support. That's why he was forced to hire the openly gay flaming Zionist U.S. Ambassador to Germany Richard Grenell as acting Director for National Intelligence. It's also why Trump-Q-anon is pushing his flunky Kashyap Patel as a "name to remember." <https://8kun.top/qresearch/res/8200021.html#8200492>

<https://edition.cnn.com/2020/02/19/politics/trump-grennell-acting-dni/index.html>

CIA and Marine veteran Robert David Steele notes:

"The secret mandarins will lie to the Acting DNI and his new hires such as Kashyap Patel, all of whom are just as ignorant of the substance of intelligence despite their super smarts on knowing what the President needs but is not getting – apart from subversion and lies. As with [Secretary of State Mike] Pompeo, the secret world will seek to charm and subvert, and

Grenell's enchantment with genocidal Zionism will be his Achilles' heel."

Of course, there is a much bigger game in play here. The gathering of G20 finance ministers last week in Saudi Arabia, minus the UK, Russia, and China, provides hints about what is at stake.

It's "very important to synchronize", Indonesian Finance Minister Sri Mulyani Indrawati said in a Bloomberg TV interview in Riyadh, on the sidelines of the G20. Indrawati added:

"All the economic ministers coming here, and the central banks, have instruments and policy tools that they can implement and execute, including fiscal expansion if it's necessary."

She's basically saying that the central bankers will create unlimited amounts of stimulus or \$ Trillions of computer credit money. This time it will not work as we are in the end game now.

It does look like Indonesia has been chosen by the Zionist cabal to take over from China in the manufacturing sector. There are no coincidences. <https://news.yahoo.com/indonesia-backs-calls-coordinated-global-095844961.html>

As a Russian FSB source noted, "even if the new coronavirus did not exist, it would have had to be invented because...

something needed to be done to prevent China from taking over the world."

In other words, the West needed to draw a line in the sand and make sure we do not end up with a one-China world.

Now P3 Freemason sources are saying the plan is to increase panic worldwide over the new (designer) virus as an excuse to bring on martial law, which is needed to start a world federation.

Asian secret society sources say they understand and support the need for a loose world federation, as does the British Commonwealth. This would be a multi-polar arrangement limited to dealing with problems faced by the planet as a whole. It would be the equivalent of neighborhood garbage collection where everyone agrees to put their garbage at the end of the driveway on certain days but also agrees to let the trash collectors come into their homes.

What these groups do not support is a Zionist-controlled, fascist New World Order run by Satan, worshipping Khazarian gangsters

new world order run by Satan-worshipping Khazarian gangsters. These people are still stubbornly clinging to a biblical end-times scenario that involves killing 90% of the world's population and enslaving the rest. Some of their recent fear-mongering about "10 plagues hitting the planet" can be seen at the following link. <http://endoftheamericandream.com/archives/10-plagues-that-are-hitting-our-planet-simultaneously>

It is also worth noting that the Rothschild and Angelli family-owned Economist magazine featured the four horsemen of the apocalypse on its "The Year in 2019" cover. <https://shop.economist.com/products/the-world-in-2019>

Anyway, let us take a look at the fear porn show the elites have in store for us over the coming weeks all thanks to a "new type" of coronavirus. Remember, this all supposedly started with a "crazy fruit bat" and now Chinese officials admit that the animal market was not the cause of the outbreak but don't want to say what was.

What we are seeing is industrial shutdowns, pandemic street performances and other such acts in scores of countries. <https://www.zerohedge.com/geopolitical/coronavirus-panic-goes-global-skorea-warns-watershed-moment-italy-quarantines-12-towns>

Here, for example, is a quote from Newsweek:

"It's a little worrying. Until this happened in Padua it almost seemed like a media stunt," says Marco Bertoni, who lives in the northern city of Feltre. <https://www.newsweek.com/italy-coronavirus-iran-lebanon-israel-1488564>

Guess what Mr. Bertoni...it is a media stunt.

In Japan, there is an elaborate corporate media play-act about people who were quarantined on a cruise ship and then sent all over the world without being properly tested. [https://www3.nhk.or.jp/nhkworld/en/news/20200220\\_12/](https://www3.nhk.or.jp/nhkworld/en/news/20200220_12/)

Even Iran is participating in the pandemic kabuki theater. <https://www.tasnimnews.com/en/news/2020/02/23/2209395/iran-intensifying-efforts-to-contain-coronavirus>

However, it looks like South Korea, whose film "Parasite" recently won an Oscar, is now about to get the best pandemic acting award. There is so much fear porn spinning around this latest virus that it has now infected all the patients in an insane asylum in South Korea. <https://www.zerohedge.com/health/almost-all-patient-south-korean-psychiatric-ward-are-infected-coronavirus>

Here is what CIA and Australian intelligence sources had to say about the act unfolding there:

"Daegu, South Korea is the next chosen death center outside of China. There will be lots of deaths there. South Korea was targeted with this coronavirus to bring down the economy. It is working as the KOSPI is down 3.2% today. The manufacturing centers for hi-tech are being targeted. Daegu is a manufacturing industrial city. It's the economic and industrial core of the [Daegu-Gyeongbuk](#) region, one of the major industrial areas in Korea.

Is it just a coincidence that the manufacturing sectors are being hit by this designer coronavirus? This bioengineered pandemic was actually planned to create global pandemonium and it's doing just that. Next it may be a coronavirus infected Werewolf in London running amok. God Save the Queen! This is all about collapsing the major economies of the world and the banking system."

That is exactly what is now happening. <https://www.zerohedge.com/markets/largest-shipping-decline-2009-and-thats-coronavirus>

World trade is seizing up and markets are about to implode. In just the past week alone \$7 Trillion was erased from the global markets (It's all computer entries).

We are also starting to see empty store shelves and will see plenty more of those before this is all over. In Japan, it is now impossible to buy facemasks or disinfectant alcohol unless you buy from profiteers. A cut in medical supplies from China is going to increasingly affect the U.S. too. This is just the crest of the wave. The links below provide multiple examples of the world economy now grinding to a halt.

rail traffic in Canada. Canadian government sources say these people are receiving money from the Rockefeller Brothers' foundation to stop pipelines meant to export oil to Asia.

<https://www.breitbart.com/europe/2020/02/22/trudeau-says-first-nations-pipeline-blockade-must-end-1450-workers-laid-off/>

Another is we are hearing that Turkish President Recep Erdogan is going to be removed soon because of his neo-Ottoman expansionist plans. "Erdogan is temporary. He will be removed very soon as he crossed the line that Putin put in place." an FSB source explained. He tried to run to the U.S. for help but he already burned that bridge.

Finally, Russian and Taiwanese sources both tell us Chinese President Xi Jinping has been killed and replaced by a body double. That is why he recently vanished from public view for 12 days during the coronavirus outbreak. However, we have not been able to confirm this with Chinese government sources.

## **Covid-19 virus a Deep State disruptive attack?**

By [Benjamin Fulford](#)   [Letters to the Editor](#)   [13 Comments](#)   Hi Ben,

I just listened to your latest "Prepare for Change" interview, which I found really insightful.

Everyone's pointing fingers at everyone else, with a lot of disinformation and wild stories on Twitter that I can see...much of it designed to inflame emotions of fear and anger.

As you know, I did molecular genetics in my Masters of Microbiology and Immunology before going into medicine, and then during my medical training, I did a lot of Infectious Diseases rotations at Canada's first HIV clinic in Ottawa.

All I can say is, I look at the molecular genetics of the Covid-19 virus (assuming it is indeed what is causing all the illness). It seems to me that the Covid-19 genetic "make-up" indicates the intent of the "maker". It has some of the more severe pathogenic features of the SARS virus, with some elements of the HIV insertion sequences that

allow viruses to hide from immune responses (which makes a vaccine more difficult to manufacture). As well it targets certain sequences more common in Asian genomes for binding/invasion and it contains genetic sequences common to H1N1 virus that enhances transmissibility. I do not think all those features just randomly evolved in nature by accident.

It certainly smells like a Deep State disruptive attack to me, especially considering the timing when China and the US were finally starting to iron out their trade differences.

My CIA medical sources have been telling me all along that this is a bio-weapon. What is interesting is that according to the statistical models they use, it should have infected hundreds of millions of people by now but it has not. Something has attenuated the virus and turned it into something of similar intensity to a common cold.

## **Insider claims China exterminating the sick**

Whistleblower story

Ben this story has a deadly twist in it

Is this story a hoax from your perspective?

<https://m.beforeitsnews.com/strange/2020/02/insider-claims-china-exterminating-the-sick-2475196.html>

If you study Chinese history you will realize they never did such things.

This is Nazis projecting the sort of thing they would do onto China.

Even during the great leap forward under Mao, millions died due to incompetent economic management, not deliberate genocide.

## **US Corporation fails to meet payments date and threatens to poison world's water supply**

By [Benjamin Fulford](#) [Weekly Reports](#) [347 Comments](#) The U.S. Corporate government failed to meet a February 16th payments deadline and is now threatening to poison the world's water supply, MI6 and CIA sources say. This was how the threat was conveyed by a senior CIA source: "Remember pure clean water is life. This will become more valuable than gold." Translation: "Hand over the gold or we will poison your water."

As a result of the bankruptcy of the U.S. Corporation, "MOSSAD-IDOD has taken over as the de facto intelligence operative of the U.S.," MI6 sources say.

"Or in other words...the Rothschild Banking Dynasty-Federal Reserve has called in the loans and simply seized the entire country as collateral," the sources say. Pentagon sources confirm this and say that the Trump-U.S. Corporate government is now being run by an Israeli cyber-security outfit in New York. <https://www.blacklistednews.com/article/76263/nyc-taxpayers-spending-millions-on-cyber-center-with-controversial-ties-to-israeli.html>

The White Dragon Society and its allies will respond to their threats by intensifying efforts to hunt down and kill Khazarian Satanists until they all surrender or die. Remember, these people have been trying and failing to kill 90% of the world's population for decades, and they will continue to fail.

The bioweapon attack on China is a good example. It was designed to be highly lethal, and if their models had been right people I know in Japan should be dying by now. Instead, the Satanists are forced to carry out psyops using a cruise ship and fake videos "from China" to spread their fear porn. For example, according to this fear-mongering article by Bloomberg News, two-thirds of the world's population should catch this virus. <https://www.bloomberg.com/news/articles/2020-02-13/coronavirus-could-infect-two-thirds-of-globe-researcher-says>

The panicking corporate propaganda media is working overtime to spread fear and is now promoting locust swarms as well as pandemics. This is all part of a failing attempt to maintain control

over the people of the world.

<https://www.express.co.uk/news/weird/1242268/end-world-coronavirus-africa-locust-swarm-iran-us-conflict-apocalypse-bible-jesus-spt>

Instead of wearing a mask, I suggest readers use the list below as a good antidote to fear porn.

1999/2000: Y2K is gonna kill us all.  
2001: Anthrax is gonna kill us all.  
2002: West Nile Virus is gonna kill us all.  
2003: SARS is gonna kill us all.  
2005: Bird Flu is gonna kill us all.  
2006: E.Coli is gonna kill us all.

Beware of self-described Satanists like Leo Zagami trying to use religion as a cover for mass murder. The problem is we have forensic evidence that proves events like Fukushima and the bioweapon attack on China are being carried out by humans, who are being caught and arrested or killed. The world is no longer being fooled by their tricks. <http://leozagami.com/2020/02/09/the-third-secret-of-fatima-a-new-virus-and-the-chinese-billionaire-censured-by-zero-edge/>

For example, this five-minute video is very relevant now as it provides detailed evidence about vaccines, the demonic Bill Gates and his teammates. We have solid proof that pharmaceutical companies are trying to kill us, and that means we need to defend ourselves by any means possible. <https://youtu.be/T3WfRwr4Oyo>

Under these circumstances, "Expect the Chinese communist government to attempt retaliation against the Zionist mafia," CIA sources say adding:

“Watch Israel, more importantly [Israeli Prime Minister Benjamin] Netanyahu. He made an unscheduled stopover in Moscow a few weeks ago to visit Putin. The real reason; Bibi already knows the Chinese will attempt to eliminate him, as they know he is deeply involved in what took place at Wuhan and beyond. He asked for protection from Putin.”

Our FSB sources tell us he did not get it.

What is happening is not the end of the world, but rather the end of the Satanists’ control over the world’s financial system. There is now, undeniably, a black swan event taking place in the global economy and financial markets.

It is too early to say what the ripple, or should I say tsunami effect of the U.S. default would be. Nonetheless, we can be sure the U.S. Corporation won’t be able to fool the Asians with another Barack Obama house slave like they did in 2008 to end the Lehman crisis.

Furthermore, the economic implosion the world is now going through is already...

causing world trade to seize up. The Baltic Dry Index, which measures the cost of shipping, is already below the low point it reached after the “Lehman shock.” Unlike the stock market, this index is based on real ships and cannot be manipulated with central bank funny money like the stock markets. <https://tradingeconomics.com/commodity/baltic>

Speaking about funny money and the stock markets, the chart below shows how even as U.S.-China trade seizes up, the U.S. stock market keeps rising. This is part of a planned implosion that will take down both the U.S. and Chinese governments, according to CIA sources. [https://www.zerohedge.com/s3/files/inline-images/2020-02-16\\_14-32-42.png?itok=DnXhfgGP](https://www.zerohedge.com/s3/files/inline-images/2020-02-16_14-32-42.png?itok=DnXhfgGP)

A senior CIA source in Asia reminded me of what he told me on Dec. 1st regarding China:

“China’s economy and financial system will most likely implode within 2 months. ‘The Party’ will try to keep it contained as long as possible. The government cannot sustain the \$40+ trillion debt they created. Some in the know are saying the debt is closer to \$50 trillion. All of it is computer generated unlimited credit. A lot of it is being used to build massive infrastructure projects, which include numerous empty cities, complete with empty shopping malls. Three banks have failed in three months. The government

Three banks have failed in three months. The government had to step in and take them over. There are an estimated 500 banks in China that are in serious trouble and expected to collapse according to Chinese banking regulators. This is around 15% of China's financial institutions."

We dismissed this statement at the time because predictions of the Chinese collapse have been failing to come true for decades.

However, it's now being backed by an article in the Chinese government-linked Global Times saying the country is headed for austerity. The Chinese know that pumping in money in the face of a freeze in real economic activity is futile. "In this situation, it won't be feasible to adopt a proactive fiscal policy," Chinese Finance Minister Liu Kun wrote.

<https://www.globaltimes.cn/content/1179749.shtml>

The chart below shows that failing banks are a symptom of a very deep structural problem similar to the one that caused the Soviet Union to collapse. Increasing levels of investment and debt are leading to increasingly lower, and eventually negative returns.

[https://www.zerohedge.com/s3/files/inline-images/cs5.jpg?itok=79\\_2Av6v](https://www.zerohedge.com/s3/files/inline-images/cs5.jpg?itok=79_2Av6v)

However, as the next chart shows, the entire world is now facing the same problem and it's ultimately the result of creating money out of thin air and laundering it through greed-motivated, multi-national corporations. [https://www.zerohedge.com/s3/files/inline-images/GDP-Economic-Deficit-020519\\_1.png?itok=IAdT3LRX](https://www.zerohedge.com/s3/files/inline-images/GDP-Economic-Deficit-020519_1.png?itok=IAdT3LRX)

In any case, this time the CIA source had the following to add about China:

"This is the end of China as we know it. This virus was created to destabilize China first and then create global fear and chaos. Hong Kong will collapse as well. There is a culling taking place in China now. We are already in the end game. And yes, China will get the blame for the collapse of the global economy."

This kind of outlook is probably why U.S. Secretary of State Mike Pompeo was bragging at last weekend's Munich security conference by saying, "The West is winning." However, the other Western participants at the meeting made it clear they were no longer following the U.S. playbook.

Russia and Britain are cooperating to remove Rothschild control from England, according to MI6 sources. That's why Rothschild-controlled U.S. President Donald Trump hung up the phone on UK Prime Minister Boris Johnson who then canceled his planned trip to the U.S. they say.

the U.S., they say.

Chinese Foreign Minister Wang Yi was closer to the consensus when he told the same conference:

"We need to get rid of the division of the East and the West and go beyond the difference between the South and the North, in a bid to build a community with a shared future for mankind." [http://www.xinhuanet.com/english/2020-02/17/c\\_138789375.htm](http://www.xinhuanet.com/english/2020-02/17/c_138789375.htm)

In fact, the British Commonwealth, the Pentagon, the Chinese and the P3 freemasons have been trying to arrange a meeting to come up with a plan for a loose world federation. They have also agreed to set up a meritocratically staffed future planning agency.

The British and Chinese want a teleconference because they worry (with good reason) their delegates would be poisoned or otherwise killed if they met in person with the P3 people. As this newsletter went live, the P3 was still reluctant to meet via teleconference.

A P3 source said the Vatican and the Germans are holding out against the meeting. The source also said German Chancellor Angela Merkel "is with the Hillary [Rockefeller] group."

This group, apparently, is the one making threats to poison water. A U.S. military whistleblower had the following to say about their plans:

"Under Palm Springs is a U.S. intelligence base...I smell CIA. Leo Zagami works with Alex Jones who gets \$35 million a year from Lockheed Martin's Skunk Works...the U.S. space program.

Trump's father, John Denver's father, Jeff Bezos of Amazon, Elon Musk of Tesla, Google, Utube, Microsoft, all supported by the U.S. space program. HQ under Kings Mountain Utah, just East of Salt Lake City, Utah. Zagami, the Italian Pope, works with whatever is under Malta. They plan on releasing three more bugs this year, two from the thawing Siberia region in North Central Russia."

Zagami, who claims to be senior in the Knights of Malta, did not respond to a query about this statement.

In any case, a reader pointed out the Knights of Malta sign is almost identical to the "umbrella corporation" logo now being associated with the bio-weapons attack on China.

Also, here you can see a Catholic priest blessing small arms being made by the Vatican's Berretta Arms subsidiary.

The forensic evidence makes it clear that the battle to liberate planet Earth from Satanic rule now needs to be concentrated against the Vatican's Satanic faction and their secret bases in Israel, the U.S., and Italy.

Hopefully, the Vatican will agree to a meeting to discuss world peace before their bases are taken out. P3 representatives say they are trying to convince the Vatican.

**Israel commits suicide by declaring**

## Israel, Crime, Corruption, and the **war on China**

By [Benjamin Fulford](#) [Weekly Reports](#) [499 Comments](#) The battle to liberate planet Earth is reaching a dangerous stage as the Khazarian mafia uses bioweapons to try and start a war between the United States and China. However, this plan is backfiring because both the Chinese and the white hats in the military-industrial complex know exactly who is behind the bioweapon attacks on China and now Africa. <https://dailypost.ng/2020/02/07/benue-killer-disease-a-mystery-its-not-ebola-lassa-fever-or-coronavirus-nigerian-govt/>

P3 Freemason sources say Israeli Crime Minister Benjamin Netanyahu is leading the latest attempt to start World War III and kill off 90% of humanity. Pentagon sources, while not naming Netanyahu in particular, also point the finger at the government of Israel. If the Israelis wish to avoid collective punishment, they need to hand Netanyahu and his mass-murdering accomplices over to the Chinese for interrogation, CIA sources say.

In a sign that total war has now been declared on the Khazarian Mafia, both Pentagon and Asian secret society sources have gone silent. Multiple attempts to confirm independently what is going on in China for example, were met with "radio silence." One regular Pentagon source says, "Other than former Joint Chiefs of Staff chair Joe Dunford, who now sits on the board of Lockheed, there is no intel and this may continue for a while."

There is also an unprecedented campaign of censorship going on regarding the bioweapon attack on China. For example, the following paragraph was deleted from a Hong Kong-based news site: "The Ministry of Foreign Affairs of China has officially demanded that the United States explain why biohazard containers were found buried in the evacuated consulate general in Wuhan. The PRC security forces cordoned off other U.S. diplomatic missions in the country."

Only the censored version of the article missing this text can now be seen at: <https://www.dimsumdaily.hk/russian-scientists-believe-america-created-the-wuhan-coronavirus-to-sabotage-china/>

Also last week, the Indian scientists who reported they had found HIV viruses artificially inserted into the new coronavirus infecting China were threatened with death by Mossad agents and forced to retract their paper, according to Mossad sources. Apparently somebody powerful in Israel is desperate to cover up the fact this was a bioweapon attack on China.

Of course the world is not buying the story that this is a naturally

of course, the media is not saying the story that this is a naturally occurring coronavirus. The Muslims know what is going on, as do the Russians and the Indians. So does everybody else, except a shrinking group of brainwashed sheeple in the West.

<https://www.jpost.com/Middle-East/Arab-media-accuse-U.S.-Israel-of-coronavirus-conspiracy-against-China-617021>

<https://www.dimsumdaily.hk/russian-scientists-believe-america-created-the-wuhan-coronavirus-to-sabotage-china/>

<https://www.ndtv.com/india-news/coronavirus-all-406-wuhan-returnees-at-delhi-itbp-facility-test-negative-2177537>

No matter what though, the U.S. and China are not going to be fooled into going to war with each other. This can be seen, for example, in an official Xinhua news report about a call Chinese President Xi Jinping had with U.S. President Donald Trump that was requested by the U.S. side. Trump said, "The United States fully supports China's fight against the novel coronavirus epidemic, and is willing to send experts to China and offer assistance in various other forms." [http://www.xinhuanet.com/english/2020-02/07/c\\_138763551.htm](http://www.xinhuanet.com/english/2020-02/07/c_138763551.htm)

In fact, Trump informed the Chinese that the U.S. had arrested three individuals in connection with the bioweapon attack on China, including 60-year old Dr. Charles Lieber, Harvard University Chairman of the Department of Chemistry and Chemical Biology.

Robert David Steele, formerly of the U.S. Marines and the CIA, last week sent the following message to the Chinese about Lieber:

Weak signals are emerging that Wuhan was an act of war by Israel against China, using a double-agent, Dr. Charles Lieber, (who is Jewish and therefore especially susceptible to Zionist influence if not control) whose top student from China was embedded at Wuhan University of Technology where he was also a "Strategic Scientist."

We are also hearing that this could have been an insider trading double-play like 9/11, also done by the Zionists. Who benefited in the City of London, Wall Street, and Hong Kong and Tokyo stock exchanges? <https://www.justice.gov/opa/pr/harvard-university-professor-and-two-chinese-nationals-charged-three-separate-china-related>

In what may have been a retaliatory attack, HIV expert Dr. Frank Plummer who was "recognized for leadership roles in the Sars, H1N1 flu and Ebola epidemics," died suddenly on February 4th. <https://www.bbc.com/news/world-us-canada-51317386>

However, there may be an even more sinister aspect to the attack on China that is related to a rogue artificial intelligence. Just before the virus outbreak in Wuhan, the city installed 10,000...

5G base stations. As we have reported before, 5G technology was experimented with in South Africa for mass mind control. In other words, the entire situation in Wuhan may be an experiment in mass mind control using the epidemic as a pretext. [http://www.xinhuanet.com/english/2019-10/31/c\\_138517734.htm](http://www.xinhuanet.com/english/2019-10/31/c_138517734.htm)

Here is what a Mossad source had to report:

"As for the Nipah virus, aka coronavirus, you have all the latest intel. China is finished. This is looking more and more like a culling of up to half of China's population. It has been done before as confirmed by high ranking Chinese government officials and history."

A CIA source described the situation this way:

"Remember years ago you hardly heard anything about what went on in China. It was only because they started big factories, making junk for the USA, that we started hearing about what went on there. Still much the same today...still a military-style rule of the people. Nothing has changed since Chairman Mao. It just became more modern and let the people think they have freedom."

One way to see if we are dealing with a situation caused by a rogue AI is to determine the origin of the now-viral picture showing the similarities between the fictitious Umbrella Corporation of the Resident Evil games and movies, and a Shanghai (not Wuhan as we mistakenly reported last week) based "Bao Hu San" (Chinese for umbrella) biotech corporation.

What needs to be determined now is if the Chinese company is real or if this is just digital mind manipulation. If the company is real, the next thing to investigate is who financed it. It's a good bet the trail

will lead to the Mega group of Zionist oligarchs. [https://judas.watch/The\\_Mega\\_Group](https://judas.watch/The_Mega_Group)

These people are also pushing for complete financial control by eliminating cash. For example, here in Japan financial incentives like 2% discounts are being offered to get people to stop using cash. That, dear readers, is the mark of the beast. This beast is probably the collective intelligence or group mind of the Zionist oligarchs and their financial and information computer networks.

So the question is...what is the purpose of what appears to be a combination 5G and bioweapon attack on Wuhan?

Part of the answer is that the Chinese are being punished for refusing to pay tribute to the Zionists by handing over their foreign exchange earnings. This means economic, biological and psychological warfare on China.

However, Evans-Pritchard of the Telegraph believes we are facing a black swan event that will undo the financial markets. He says:

"The workshop of the world is closed. China is on a total-war footing. The Communist Party has evoked the 'spirit of 1937' and mobilized all the instruments of its totalitarian surveillance system to fight both the [coronavirus](#) and the truth. Make GDP forecasts if you dare.

As of this week two-thirds of the Chinese economy remains shut down. More than 80% of its manufacturing industry is closed, rising to 90% for exporters.

The Chinese economy is 17% of the world economy and deeply integrated into international supply chains. It was just 4.5% of world GDP during the SARS epidemic 2003, which some like to use as a reassuring template. You cannot shut down China for long these days without shutting down the world..." [https://www.telegraph.co.uk/business/2020/02/05/chinas-coronavirus-not-remotely-control-world-economy-mounting2/?WT.mc\\_id=e\\_DM1193827&WT.tsrc=email&etype=Loy\\_Dig\\_Acq\\_Election\\_0-9MEngagement&utm\\_source=email&utm\\_medium=Loy\\_Dig\\_Acq\\_Election\\_0-9MEngagement20200208&utm\\_campaign=DM1193827](https://www.telegraph.co.uk/business/2020/02/05/chinas-coronavirus-not-remotely-control-world-economy-mounting2/?WT.mc_id=e_DM1193827&WT.tsrc=email&etype=Loy_Dig_Acq_Election_0-9MEngagement&utm_source=email&utm_medium=Loy_Dig_Acq_Election_0-9MEngagement20200208&utm_campaign=DM1193827)

The situation is already so drastic that the Baltic Dry Index, the cost of shipping, has become negative. <https://www.zerohedge.com/s3/files/inline-images/bfmDC94.jpg?itok=5hrHqfMQ>

In other words world trade is so bad that shippers will have to

in other words, world trade is so bad that shippers will pay you money to transport goods on their ships. Prices for commodities like copper and oil are also plunging as world trade seizes up. Yet somehow, stock markets keep reaching new record highs. Something is about to break. If we take an optimistic viewpoint, maybe the good guys are staging a planned implosion of the Oligarch's financial control grid. Time will tell and fairly soon.

In any case, the Zionist oligarchs are apparently planning to move their production out of China and into Indonesia. Here is what a Southeast Asian based CIA source had to say:

"I have been watching how Bloomberg News has been promoting Indonesia for the last 6 to 9 months. Almost daily there is a story of interest regarding Indonesia and the government. We have discussed this a few times already. This looks like the reason for pumping Indonesia to the forefront." <https://www.bloomberg.com/news/articles/2020-02-06/indonesia-picks-mckinsey-to-revamp-firms-with-172-billion-sales>

"Jokowi wants Indonesia to transform from a supplier of raw materials to a manufacturing powerhouse and take over from China. The timing is perfect. Of course, this is NOT just a very big coincidence."

My advice to the Indonesians is to think of the promise of big investments from Khazarian oligarchs as being like a free taste of heroin from your dealer. It feels good at first, but as you can see from what is going on with China, it will eventually ruin your life.

With Asian secret societies on the warpath, being a Zionist oligarch is now probably one of the most hazardous occupations on earth.

We conclude with a few odd bits of raw intel that came our way.

MI6 sources proposed that the Queen of England has selected Princess Anne, her second child, and only daughter, to take her place as the next "Queen of England." Of course, Charles is livid. Upon checking with my sources, a British royal said Princess Anne would only serve as regent to his Imperial Majesty George VII.

Another tidbit about the U.S. election came from a Mossad contact in New York:

South Bend Indiana Mayor Pete Buttigieg, who the Democrats want for their presidential candidate, (after cheating Bernie Sanders via vote manipulation) publicly announced in 2015 that he is gay. The majority of his financing is coming from the inner circle of Bibi Netanyahu. He is the flower of the youth for the Khazarian mafia at

Netanyahu. He is the flavor of the month for the Khazarian mafia at this stage of the 2020 presidential saga in the U.S.

Lastly, according to FSB sources, even though Russia's government has declared its border with China closed, "In reality truck drivers are going to China and back because no business wants to lose profits."

## **Huge anti-China campaign mounted after secret talks fail**

By Benjamin Fulford   Weekly Reports   516 Comments   A

massive hybrid warfare attack has begun on China following the failure of negotiations between Eastern and Western secret societies, sources close to the negotiations say. The attack on China is using a combination of bio-weapons, propaganda and economic warfare according to multiple sources. This campaign is being conducted in tandem with an effort to create mass starvation in India and Africa. This is the response of the U.S. Corporate government after it failed to find financing for a January 31st international payments deadline, according to European royal family sources.

The attack on China shows many signs of advanced planning. First

of all, the new coronavirus hitting China is definitely a bio-weapon. Researchers in India have identified HIV insertions in the coronavirus that could only have been put there intentionally. <https://www.biorxiv.org/content/10.1101/2020.01.30.927871v1>

CIA-linked doctors say the insertions were made so a fruit bat virus would be contagious to humans.

Meanwhile, Chinese doctors have discovered the coronavirus is designed to attach to lung receptors that are five times more common in Asian males than in African or Indo-European males. Asian females also have less than half the amount of these receptors than Asian males.

<https://www.biorxiv.org/content/10.1101/2020.01.26.919985v1.full>

"They already knew this was coming. It's the Nipah virus, and guess what, WHITES are essentially immune because we have the acetylcholinase inhibitor against the virus. They KNOW it's Nipah. The shit is going to hit the fan once people know the mortality rate," the CIA doctor bragged. Below are some links sent by the CIA doctor.

[https://www.researchgate.net/publication/335187960\\_Potential\\_novel\\_inhibitors\\_against\\_emerging\\_zoonotic\\_pathogen\\_Nipah\\_virus\\_a\\_virtual\\_screening\\_and\\_molecular\\_dynamics\\_approach](https://www.researchgate.net/publication/335187960_Potential_novel_inhibitors_against_emerging_zoonotic_pathogen_Nipah_virus_a_virtual_screening_and_molecular_dynamics_approach)

<https://www.infectioncontrolday.com/viral/model-predicts-bat-species-potential-spread-nipah-virus-india>.

In case you have any doubts this attack was planned well in advance, take note of this CNN article trying to pin the blame on China; specifically the Wuhan Institute of Virology.

<https://www.cnn.com/could-the-deadly-coronavirus-actually-be-a-man-made-killer-disease/>

"The Wuhan Biotech Company logo is the same as the Umbrella Biotech Company logo from the Resident Evil series. (There are no coincidences in our world)," our CIA sources note. See the photo below:

According to a Mossad source:

"One thing is certain. This virus has been modified and may have all types of pathogens mixed in it. It was released as we say, accidentally on purpose. This is the last stand for the cabal. The world is waking up their lies, manipulations, never-ending wars, and Babylonian money magic. As we have the Zionist Cabal spokesman spouting off again,"

<https://sputniknews.com/world/202001301078180161-pompeo-brands-china-central-threat-of-our-times/>

Asian secret society sources have already promised their response "will be unpredictable and worse than you can imagine."

The Chinese are almost certain to target the regime of Shinzo Abe in Japan since it has been identified as the sub-contractor for this attack on China, according to Japanese military intelligence sources. Although pictures of Abe smiling with Nazi symbols in the background have been scrubbed from the internet, it is well known he is a Nazi.

<https://www.theguardian.com/world/2014/sep/09/neo-nazi-photos-pose-headache-for-shinzo-abe>

As soon as Abe was put in power (through elections stolen by the Khazarian mafia), he began building a bio-warfare factory disguised as the Kake Gakuin Veterinary College, Japanese sources say. This was staffed by disciples of the infamous Japanese fascist unit 731 bio-warfare division, they note. They also set up shop in Wuhan, according to Japanese underground sources.

Nazis, of course, were known for their plan to kill off all "non-aryan" races (the Japanese were considered honorable Aryans). That is why the attack on China is being carried out along with a plan to create mass starvation in Africa and India.

This operation is being run out of bases in Antarctica, where...

weather modification technology has been used to create rainfall in the deserts of Saudi Arabia, according to CIA sources. These led to a huge proliferation in desert locusts. After the rains stopped, the locusts swarmed and moved on to Ethiopia and Sudan where again, unnatural rains had created sudden abundance in the deserts, allowing the locusts to multiply 20-fold. After these deserts dried out again, the locusts began swarming the breadbasket countries of Africa just as crops were being planted. A similar attack is now approaching India as well. This means mass starvation is looming in

the two areas of the world experiencing the greatest population growth. The articles below describe the process, although they don't mention the likely use of weather modification technology as the driver.

<https://www.scientificamerican.com/article/unprecedented-locust-invasion-approaches-full-blown-crisis/>

<https://www.wsj.com/articles/africas-worst-locust-plague-in-decades-threatens-millions-11580475600>

<https://apnews.com/854648cd0a9f634ec0473f7442469295>

<https://www.thenational.ae/world/africa/somalia-declares-locust-outbreak-a-national-emergency-1.972860>

CIA sources say the Nazis are using the threat of starvation to try to force the Indians and Africans to cut off their ties with the Chinese.  
<https://news.yahoo.com/africa-mobilises-against-coronavirus-fears-mount-023022451.html>

This is part of a massive campaign to demonize and isolate the Chinese, the sources say. This campaign is seen in the incredible and sensationalist fear-mongering campaign in the Western corporate propaganda media.

So now let us take a dose of reality. So far, as this blog was about to go public, there have been 17,205 confirmed cases of the virus and 361 fatalities in China. That is about a 2% mortality rate, lower than regular influenza, which has a mortality rate of about 13%.  
<https://en.wikipedia.org/wiki/Influenza>

To put that in perspective, in January of 2019 alone 608,000 people caught regular influenza in China. Meanwhile, in the U.S., 80,000 people died of influenza in 2018. So, how come there was no panic media coverage over these much larger pandemics?  
[https://www.washingtonpost.com/national/health-science/last-years-flu-broke-records-for-deaths-and-illnesses-new-cdc-numbers-show/2018/09/26/97cb43fc-c0ed-11e8-90c9-23f963eea204\\_story.html](https://www.washingtonpost.com/national/health-science/last-years-flu-broke-records-for-deaths-and-illnesses-new-cdc-numbers-show/2018/09/26/97cb43fc-c0ed-11e8-90c9-23f963eea204_story.html)

This headline from the Rothschild controlled AP says it all: "Fears of new virus trigger anti-China sentiment worldwide."  
<https://apnews.com/04f18aafe1074a1c06b4203edcbdc661>

The reason, of course, is because this fear campaign is linked to an economic campaign aimed at isolating China. U.S. Commerce Secretary Wilbur Ross (child) has come right out and said the

coronavirus will help the U.S. economy noting:

"It does give business another thing to consider when they go through a review of their supply chain. On top of all the other things – you had SARS, you had the African swine virus there, now you have this – it's another risk factor that people need to take into account...I think it will help to accelerate the return of jobs to North America, some to the U.S. and some to Mexico as well."

<https://www.zerohedge.com/political/wilbur-ross-says-chinas-coronavirus-outbreak-will-help-bring-jobs-back-america>

The campaign against China also involves canceling airline flights into that country and evacuating non-Chinese from China.

<https://www.zerohedge.com/geopolitical/china-outraged-world-cancels-flights-and-shut-borders-amid-coronavirus-outbreak>

There are also signs the Americans are getting ready to use their long-standing threat to cut off China's oil. This was seen in an attack against an oil tanker off the coast of the United Arab Emirates.

<https://www.zerohedge.com/markets/us-navy-confirms-incident-coast-uae-oil-tanker-burns>

The Chinese have been building up overland pipelines and stocking up on oil with just such a scenario in mind. That is why Chinese oil demand has dropped by 20% since the latest hybrid warfare attack on their country began.

<https://www.straitstimes.com/business/economy/china-oil-demand-has-plunged-20-on-wuhan-virus-lockdown-biggest-shock-since-global>

However, ominously for the Chinese, the reaction of the Russians shows that if push comes to shove, they are going to ally with their fellow Europeans. The Russians have closed their land border with China and stopped train traffic in response to this so-called pandemic.

<https://tass.com/society/1115523>

At the same time, the U.S. is ostensibly making massive preparations for war against Russia but insiders know this is really part of joint Russian/U.S. preparations for war against China.

<https://www.newsweek.com/exclusive-cold-war-back-focus-iran-military-prepares-war-russia-1485088>

The Chinese are not stupid and know they are being attacked. So what is a Chinese counter-attack likely to be like? Previously, senior Chinese told me they have contingency plans that would let them occupy India, the Korean Peninsula and South East Asia (minus

Vietnam) in a matter of weeks. Also, they have identified the slave regime of Shinzo Abe in Japan as a weak link. They could easily decapitate his regime with an overnight campaign of assassinations. It is likely that around the world many top Khazarian mafia bosses are suddenly going to start dying.

We are also seeing, as predicted, the global collapse of stock and commodities markets. Chinese stock indexes, for example, fell 9% on the first day of trading after the Lunar New Year's holiday period. <https://sputniknews.com/business/202002031078210259-chinese-stocks-fall-nearly-9-on-opening-after-extended-holiday-amid-coronavirus-outbreak/>

This is a sign that the planned implosion of the global financial system may well be underway.

What is disturbing about these latest developments is that both the Pentagon and the Asian secret societies have responded to this crisis by cutting off communications with neutral third parties like the White Dragon Society. These total information blackouts are a sign that preparations are underway for warfare. This would be a lose-lose outcome and a disaster for the planet.

The WDS has proposed instead, a loose world federation where nation-states keep their traditional independence, but countries work together on issues that affect the entire planet. The P3 Freemasons, with 1.5 billion Catholics under their influence, together with the 2.3 billion-member British Commonwealth, support such a move. Chinese hardliners, however, have been pushing for a China-dominated world and have so far refused to participate in meetings aimed at world peace.

On a final note, there are also more and more signs that war is already raging in space and underground. There are multiple reports of unnatural earthquakes around the world. There is also growing evidence of some sort of war going on in space as can be seen in the links below.

## **Engineered “novel coronavirus” okay for Europeans**

THE

“novel coronavirus” now infecting people in China is designed to leave those of European descent unharmed, according to P3 Freemason sources. We have previously provided extensive proof to show this was also true of SARS. Remember, the Nazi neocons who came to power with George W. Bush Jr. said in their *Project for the New American Century* manifesto that ethnic-specific bio-weapons would be a “useful political tool.”

## **Khazarian mob using virus fear porn in desperate attempt to keep control over its 200-plus “nation states”**

By Benjamin Fulford   [Weekly Reports](#)   [442 Comments](#)

The

Khazarian mob is fighting for its life and stoking pandemic fear porn in a desperate attempt to keep its control grid over humanity, multiple sources say. This is happening because they cannot meet a payments deadline (temporarily extended into February) for the United States of America Corporation, the sources involved in the negotiations say. One of the aims of the negotiations is to restore sovereignty to the people and the Republic of the United States of America. This will also result in the unveiling of the secret space program, they add.

We will talk more about this later, but first, let us look at the cabal's pandemic survival gambit. As most of our readers are probably already aware, it is highly unlikely the “Coronavirus” outbreak in China was a naturally occurring event. There are many signs this pandemic was planned in advance in an attempt to extort money from China for the U.S. Corporation.

First of all, there was a systematic attack on all Internet sites that provide news suppressed by the corporate propaganda media. For example, Natural News, with its long history of exposing vaccine-related scandals, was shut down. Jimstone Freelance was also hit harder than usual. Other journalists are being hit with bogus criminal charges.

<https://www.zerohedge.com/geopolitical/empires-war-oppositional-journalism-continues-escalate>

This site too has come under severe attack. Our former webmaster suddenly lost his mind and displayed signs of severe PCP poisoning. Now he has "committed suicide." Following this, we were locked out of our own site until white hats in the NSA helped restore it. We are also under serious financial attack.

These attacks came just before the coronavirus pandemic emerged and was given sensational fear-mongering and saturation coverage in the corporate media. In addition to being blackmail, this appears to be an attempt to reinsert fear and hate as the controlling narrative of our public discourse.

It looks like they had a rehearsal on October 18, 2019, when a huge exercise was held in the U.S. simulating a pandemic and the resulting economic collapse. The sponsors of this event were the World Economic Forum (Davos), the Bill and Melinda Gates Foundation, and the Bloomberg School of Public Health at John Hopkins University. In other words, Cabal Central. Then just as the World Economic Forum was having its annual meeting in Davos on January 21-24, 2020, a real pandemic broke out and was given saturation publicity.

<http://www.centerforhealthsecurity.org/event201/>

However, this plot, if it is one, is blowing up in their faces, because alternative news sites like Prepare for Change put out some of the massive evidence that exists showing that the U.S. Corporate government has been manufacturing and spreading bio-weapons ever since George Bush Jr. stole the election in 2000. Remember, these are the guys who said an ethnic-specific bio-weapon would be a "useful political tool."

[https://en.wikipedia.org/wiki/Ethnic\\_bioweapon](https://en.wikipedia.org/wiki/Ethnic_bioweapon)

Here, for example, is a U.S. government patent on coronaviruses:

<https://prepareforchange.net/2020/01/24/c-i-a-patent-us7220852b1-coronavirus-aka-sars/>

British intelligence are reporting to us that they are hearing it is a "pneumonia virus which arose out of a poorly managed bio-site."

The following statement was put out by the Asian secret societies, including the 55-million-member Hongmen and the Blue Dragon Society with their many millions of members:

"If this virus was artificial or released as part of an attack plot and is not a natural virus, then we, Hongmen, the largest secret society in Asia, together with the iron-bound secret Blue Society, vow that we will for sure hunt down the enemy, chase them to the ends of the earth, and make sure that not even a single one of their hairs remain on this planet."

even a single one of their hairs remain on this planet.

「もし、このウィルスが人為的なまたは謀略的な、侵略的なもので、自然に発生したものではない場合、我々アジア最大派の秘密結社洪門宗家と鉄の掟秘密結社青幫は敵を必ず探し出し、地の果てまで追いかけて見つけ出し、毛髪の本でさえ地上に残さないことを誓う」

Now there is a huge campaign to spread the message that this was a naturally occurring virus or that it was spread by the Chinese.  
<https://www.zerohedge.com/geopolitical/did-china-steal-coronavirus-canada-and-weaponize-it>

<https://www.zerohedge.com/health/chinese-government-forces-tv-host-who-popularized-eating-bats-apologize>

For sure, viruses do emerge naturally, especially in the Chinese countryside where ducks, pigs, and humans live in close proximity. Here is what the chief doctor of a large university hospital who specializes in animal-to-human disease transmission had to say about the outbreak:

"It's the unfortunate result of those horrendous animal markets, with animals that would normally never be in such close proximity with other animals or with humans. It's the perfect doomsday scenario for a new virus to emerge. We saw it with SARS, we're seeing it now, and we'll see other similar infections emerge again in the future.

"Many of the viruses that infect humans are of animal origin. What is different now is the size of our population and modern transportation which allows for much faster spread of new diseases."

The cabal had better hope she is right and the disease was natural. In any case, it's clear that the Chinese are not telling us the whole truth about how far it has spread. The official Xinhua News Agency is saying the province of Hubei at the epicenter is reporting "1,052 cumulative confirmed cases of pneumonia, with 52 deaths and 129 cases in severe condition."

If that's true, then why is it that "More than half a million medical staff have joined the epidemic prevention, control, and treatment of patients in Hubei"?  
[http://www.xinhuanet.com/english/2020-01/26/c\\_138735415.htm](http://www.xinhuanet.com/english/2020-01/26/c_138735415.htm)

Also, if there are only a few more than a thousand patients, why in Wuhan, a "mega-city that hosts a number of nationally renowned mega-hospitals," are people "working around the clock to build two

makeshift hospitals in suburban Wuhan”?

[http://www.xinhuanet.com/english/2020-01/26/c\\_138735285.htm](http://www.xinhuanet.com/english/2020-01/26/c_138735285.htm)

Just as this newsletter was about to go public, a high-level CIA-connected whistleblower contacted us to say:

“This is not a coronavirus. It is the Nipah virus. Caused by fruit bats. There are cycles of much more virulent strains of the Nipah virus. The WHO (with whom I do research) knew about this in August of 2018. It is zoonotic.

“China will soon go into a total lockdown. Hong Kong will be economically destroyed. This virus is going global. The pandemic is already here. The WHO is delaying calling it what it is because they are scared shitless.

“In my professional medical opinion, this is the real deal, my friend. The truth is being covered up as usual by the controlling global cabal.

“All of reality is a fabric that the controllers are losing control over.

“If China goes into a complete lockdown, this will be what pushes the global economic collapse into free fall. It is game over and a reset will take place.”

Anybody with any real market experience will tell you that a black swan event is unfolding. If you look at the charts below, you can see that the financial markets are facing the mathematical certainty of a meltdown.

[https://www.zerohedge.com/s3/files/inline-images/bfmCC52\\_1.jpg?itok=3t5omPV0](https://www.zerohedge.com/s3/files/inline-images/bfmCC52_1.jpg?itok=3t5omPV0)

Also, as the cabal exercise in October predicted, the pandemic will be the trigger by freezing real-world trade and economic activity.

A few other bits of news show that it is not business as usual. For

one thing, we have a huge plague of locusts hitting Africa's breadbasket region at the same time as China fights a pandemic. Coincidence?

<https://www.scmp.com/news/world/africa/article/3047674/skies-go-black-africas-worst-locust-swarm-attack-decades>

Then we have NATO preparations for a war against Russia.

<https://tass.com/politics/1109995>

Meanwhile, U.S. Central Command appears to be ignoring orders from Washington and is beefing up in the Middle East and financing itself with the oil fields there.

<https://www.zerohedge.com/geopolitical/20000-us-troops-have-surged-mideast-last-spring-counter-iran>

Also, U.S. Corporate president Donald Trump is about to announce an arrogant Israeli peace plan that is already dead on arrival.

<https://www.ynetnews.com/article/BJyqRUobU>

In any case, negative energy generated by the pandemic and associated campaign is failing to blow away a huge wave of positive news that is emerging. For example, Trump, who recently participated in yet another attempt to start an artificial Armageddon in Iran, did an about-turn at Davos saying, "To embrace the possibilities of tomorrow, we must reject the perennial prophets of doom and their predictions of the apocalypse."

At the same event, the unpopular Prince Charles of the UK actually made some very good policy proposals. In particular, he called for "genuinely" mobilizing "the kind of trillions of dollars needed" to fix the planet.

<https://www.princeofwales.gov.uk/speech/keynote-speech-delivered-hrh-prince-wales-world-economic-forum-davos-switzerland>

The biggest news is that the quarantine on the planet Earth is about to be ended and humanity will be allowed out into space, according to senior leaders of the secret space program. It is no coincidence that the newly announced U.S. Space Force has a logo that looks very similar to the one in Star Trek.

<https://www.bbc.com/news/world-us-canada-51245262>

This is because there has been a high-level agreement reached between East and West for a meritocratic new organization to be created in order to oversee human expansion into the universe. Star Trek provides the model.

To get from here to there in concrete terms is the task that now lies ahead. A senior member of the secret space program has in his

possession the original secret treaty between King George III and the Republic of the United States of America. He says a condition for unveiling the secret space program and the 5,000 patents hidden for "national security reasons" is the restoration of sovereignty to the American Republic and its people. Another condition is the replacing of admiralty law with Common Law for the People, he says.

In addition, this individual has in his possession the documents from the Holy Roman Empire that control the world's financial system and the 206 countries that operate under it. Throughout the entire world, he says "the peoples on the land" will be liberated from the "200 corporate countries run by people on the dark side." P3 Freemasons who represent the Holy Roman Empire are also in agreement with these goals.

Once this is accomplished, vast funds can be released to finance a massive campaign to end poverty, war, environmental destruction, disease, and even mortality. Then the quarantine on the planet will end.

## **Rothschilds kicked out of Russia and Japan as world revolution unfolds**

By [Benjamin Fulford](#) [Weekly Reports](#) [514 Comments](#) A world revolution is unfolding with historical events taking place in Africa, China, France, Japan, Russia, and elsewhere as the old planetary control grid continues to collapse, multiple sources agree.

Let's start with the revolution that was announced in Russia last week. Basically, David Rothschild was kicked out and the Russian central bank was nationalized, which is why half the government was fired, FSB sources tell us. Here's what our FSB sources have to say on the subject:

"It was supposed to start back in November 2019 when Prime Minister Dmitry Medvedev was killed at FSB headquarters, but due to the presence in the country of a huge number of the richest Jews in the world (the Rothschilds, Sheldon Adelson, etc.), this operation was postponed.

"Then at the end of December, half of our money was given to one structure, which organized this sudden 'departure' of Jewish Premier Medvedev. This structure will oversee various ministries and all new ministers will be appointed under its supervision.

"On January 16th, President [Herman] Gref of Federal Central Bank Sberbank got so drunk with grief that he was taken to the Odintsovo Hospital suffering from acute alcohol poisoning. That is why he suddenly cancelled his speech at the Gaidar Forum."

<https://en.gaidarforum.ru/>

On January 18th, Gref told *Tass News*, "We should brace for the collapse of the existing world order. It will be very painful."

<https://tass.com/top-officials/1043741>

The FSB sources also report that when Elvira Nabiullina, the head of the Russian central bank, was fired last week, all cellphones of central bank employees were confiscated and a huge stash of documents was seized.

One other thing they reported to us was that Yevgeny Zinichev, "the head of the Ministry of Emergencies, will become the head of the FSB, but this will also not be for long."

[https://en.wikipedia.org/wiki/Yevgeny\\_Zinichev](https://en.wikipedia.org/wiki/Yevgeny_Zinichev)

The P3 Freemasons, who report a lot of very weird stuff, tell us the Medvedev who was removed was actually an "an alien."

Rothschild-slave President Emmanuel Macron of France is also under siege. He was forced to flee for his life from a theater last week amid rioting that has gone on now for over a year. A new French revolution is coming, French resistance sources promise.

Equally dramatic, if less public, events were going on in Japan last week. A first cousin of former Emperor Hirohito tells us the Bank of Japan has been ...

... nationalized and the Rothschilds as well as the Rockefellers have been removed from control of this country.

British royal family sources confirm this and say that Emperor Naruhito and Empress Masako have been invited to the UK this spring where, among other things, they will discuss the creation of a world future planning agency.

<https://www.reuters.com/article/us-britain-royals-japan/japanese-emperor-to-make-state-visit-to-united-kingdom-idUSKBN1ZD0LK>

Representatives of the P3 Freemasons, the British Commonwealth, and Asian secret societies are planning to meet in London, possibly in February, to discuss the creation of this agency. They will also discuss preparations for human colonization of space, P3 sources say.

<https://www.theatlantic.com/science/archive/2020/01/space-force-trump/604951/>

The initial agreement is that the planning agency will be headed by a committee of seven with decisions made by majority vote, according to a source involved in the negotiations. The seven will include one representative each from Africa, the Americas (North and South), Asia outside of China, China, Europe including Russia, India, and the Muslim world. Vetoes would be limited to the region making it. So, for example, if the world decided to ban pork, the Chinese could veto that and continue to eat pork in China.

Speaking about pork and China, CIA sources in Asia say a major offensive is underway against that country. "The Western media is not discussing the slaughter there of several hundred million pigs due to the outbreak of the new strain of African swine flu virus (created *in vitro*, of course)," one source says, noting:

"Pork is the main food of the Chinese. It is consumed every day. America cannot replace the lost pork from the massive slaughter. You can imagine what will happen to the Chinese people without pork, which is their main source of protein. This is being kept very quiet for obvious reasons. China had half of the world's supply of pigs with a population of more than 700 million pigs. This provides the main source of protein for 1.3 billion people."

The sources also told us the following:

"Xi Jinping and his cronies are behind the protesting in Hong Kong. His plan is to bring down HK and turn Macau and Shanghai into the new financial centers. China has been financing the protesters since the beginning.

"HSBC is in the process of moving their regional headquarters to Singapore.

"The Chinese government is planning on canceling all leases that were made with the UK, meaning they will take over the land and buildings in HK. They are also planning on canceling the HK dollar and will allow up to 6 months for all HK dollars to be exchanged for Yuan. As you can see, China is going to destroy Hong Kong. They will of course shoot themselves in the foot, so to speak, as HK is their connection to money from the West. China will implode from within."

Furthermore, the source says:

"China has been kicked out of Laos, Myanmar, and Vietnam

China has been kicked out of Laos, Myanmar, and Vietnam. They are no longer wanted or needed. The same is true in Australia. The Aussies have had enough."

The U.S. also carried out a sophisticated attack on China via Japan, according to Japanese military intelligence sources. This was seen in the news as a fight between South Korea and Japan over historical issues. In reality, though, it was a pretense to stop Japanese exports of key semiconductor manufacturing equipment to South Korea. This in turn had the effect of shutting down the Chinese semiconductor industry, the sources say.

A new soft power struggle is also going on with the Chinese over Africa. An example is this disinformation being sent (presumably by the Chinese) about a British-led summit about Africa. According to this disinformation:

"Organized by Boris Johnson, this summit will host many heads of state and government leaders, companies, international institutions, international spy organizations of espionage and counter-espionage, and secret societies to present investment opportunities in Africa and to discuss implementation of the New World Order. It will feature a discussion by the supreme committee entitled "melanin and the control of black people."

The actual summit summary published by the British government reads as follows:

"The Summit will be hosted by the Prime Minister and will bring together businesses, governments and international institutions to showcase and promote the breadth and quality of investment opportunities across Africa. The Summit will strengthen the UK's partnership with African nations to build a secure and prosperous future for all our citizens. It will mobilize new and substantial investment to create jobs and boost mutual prosperity."

<https://www.gov.uk/government/topical-events/uk-africa-investment-summit-2020/about>

In other words, we are finally seeing a Western answer to the Chinese Belt and Road Initiative.

In any case, Chinese Freemasons, for their part, say that talk of a Chinese implosion has been around for decades and has always proven to be wrong. They say time is on their side because they have a superior system of governance and economic management, so they will continue to grow faster than the West.

The Chinese are also now taking the lead on environmental

The Chinese are also now taking the lead on environmental protection, the sources say. Recent news items backing this up include Chinese plans to ban single-use plastic and a ten-year fishing moratorium on the Yangtze.

[https://in.reuters.com/article/china-environment-plastic-idINKBN1Z10MR?utm\\_source=reddit.com](https://in.reuters.com/article/china-environment-plastic-idINKBN1Z10MR?utm_source=reddit.com)

[http://www.xinhuanet.com/english/2020-01/02/c\\_138672069.htm](http://www.xinhuanet.com/english/2020-01/02/c_138672069.htm)

The offensive against China is taking place in the context of a still-unfolding collapse of the U.S. Corporate government in Washington, D.C. The regime there is paralyzed by infighting and staged events. The latest is a gathering in Virginia featuring crisis actors, gun lobbyists, goons, undercover cops, citizen journalists, etc. There is also a fake impeachment show going on against U.S. President Donald Trump.

The fake show distracts from the very real crimes of the end-times evangelicals who now surround President Trump. We are talking, for example, of the recent attempt to start World War 3 in Iran with the murder of Iranian General Qasem Soleimani and the shooting down of a Ukrainian civilian aircraft.

The fact that the plane was remotely hijacked and flown towards an Iranian military base—a clear war crime—is now being reported by mainstream news outlets.

<https://ahtribune.com/world/north-africa-south-west-asia/iran/3818-who-targeted-ukraine-airlines-flight-752.html>

Also, in a sign of a real break in the Anglo world, Canadian Prime Minister Justin Trudeau is blaming the U.S. for downing the Ukrainian airliner. This is happening as UK Defense Minister Ben Wallace says his country is ending its military alliance with the Trump regime.

<https://nypost.com/2020/01/14/canadian-pm-justin-trudeau-blames-downing-of-ukraine-jet-on-us-escalation/>

[https://www.businessinsider.com/uk-abandoning-trump-iran-us-withdraw-leadership-world-qassem-soleiman2020-1?utm\\_source=reddit.com&r=U.S.&IR=T&utm\\_source=reddit.com](https://www.businessinsider.com/uk-abandoning-trump-iran-us-withdraw-leadership-world-qassem-soleiman2020-1?utm_source=reddit.com&r=U.S.&IR=T&utm_source=reddit.com)

Pentagon sources too are making it clear they are tired of the political hacks in Washington, D.C. For example, the sources note that “In a rebuke to former presidents, the Navy decided to name its newest carrier after an African-American sailor instead of Bush Jr., Clinton, or Obama.”

The Pentagon is also sick and tired of fighting as an Israeli proxy in the Middle East, the sources say. “Congress is livid that the death

toll from Iran's missile strikes on U.S. bases in Iraq is at least 139, making troop withdrawal an election issue," they say.

A clear sign of how rogue the U.S. regime has become was when Secretary of State Mike Pompeo said, "The destruction of Soleimani is an example of a new U.S. strategy aimed at deterring its opponents. This applies equally to Iran, China, and Russia." Someone should point out to Pompeo that assassination is a two-way street.

<https://www.veteranstoday.com/2020/01/17/lunatic-pompeo-threatens-putin-with-drone-assassination/>

The Trump regime is also doing things like threatening Europe and pulling out of NATO military exercises.

<https://www.debka.com/us-forces-withdraw-from-nato-march-drill-in-norway-due-to-mid-east-tension/>

<https://www.theguardian.com/world/2020/jan/16/iran-says-it-is-enriching-more-uranium-than-before-nuclear-deal>

Finally, we are hearing increasingly credible information about battles taking place in deep underground bases from multiple sources. First take a look at the seismographs from an Indian underground nuclear test versus those from a natural earthquake.

<https://www.flickr.com/photos/confederateyankee/265119334/>

The recent earthquakes in Puerto Rico, around the China Lake underground bases in Nevada and California, in Kumamoto, Japan, etc. all bear the signs of artificial earthquakes.

Multiple sources tell us they have found children in cages and other horrors in some of these bases that are now being taken over or destroyed by the white hats. Japanese sources tell us that 14,000 Japanese children were being sold each year to the Khazarian mafia. FBI statistics show that 40,000 children go missing each year in the U.S. Many of them are now being rescued from cages in underground bases, Pentagon sources say. The 38-minute video at the link below provides good background information on this no longer very secret war.

[https://www.youtube.com/watch?time\\_continue=2&v=F0NEd9gEHFs&feature=emb\\_title](https://www.youtube.com/watch?time_continue=2&v=F0NEd9gEHFs&feature=emb_title)

On a final note, we were told by our Antarctica sources that what is happening now on the surface of the planet is much more important. We were promised more information about this subject at a later date.

# **Messianic nut-case Iran gambit backfires, payback begins**

By Benjamin Fulford   [Weekly Reports](#)   [457 Comments](#)   The

recent events orchestrated by the U.S. government in Iran have backfired in a major way and the repercussions have only just begun, multiple sources agree. The worst result has been to force the British and the rest of the Anglo-Saxon world away from their alliance with the U.S. under its current administration, MI6 sources say. "Whatever happened should never have happened, and the Western powers need to vacate the Muslim world and contain Israel," the sources say.

Even the Israelis are waking up to the dangers of the Evangelical Christian nut jobs they created, Mossad sources agree.

<https://www.thedailybeast.com/netanyahu-distances-from-soleimani-slaying-says-israel-shouldnt-be-dragged-into-it-report>

Of course, the rest of the world already views the U.S. as a pariah state, so now U.S. President Donald Trump is totally isolated on the world stage.

Before we go further into the fallout, let us summarize exactly what happened. Basically, it was yet another attempt to start World War 3 by the Messianic Jewish crazies who, for simplicity's sake, we will call the Zionists. This time they orchestrated an escalating series of events in a vain effort to get their long-awaited Armageddon by:

1. Murdering an American contractor in Iraq and blaming it on the Iranians.
2. Convincing or blackmailing Trump into a disproportionate response.
3. Getting their Iranian agents and brainwashed dupes to riot at the U.S. Embassy in Baghdad.
4. Forcing Trump to commit a war crime by murdering Iranian General Qasem Soleimani.
5. Remotely hijacking a Ukrainian airliner and flying it with transponders off towards an Iranian military base to fool the Iranians into shooting it down. (For those readers who do not yet realize this, in the late 1990's the U.S. had remote hijacking equipment installed in all civilian airliners, supposedly as an anti-hijacking measure. This ability has been repeatedly abused for political purposes by the Khazarian mafia).

Now they are trying, and failing, to orchestrate regime change in Iran. Instead, though, this botched operation has succeeded in waking up a critical mass within the Western intelligence/military community to the fact the U.S. government has been hijacked by a

community to the fact the U.S. government has been hijacked by a fanatical cult that is trying to start WW3.

That is why the UK Defense minister Ben Wallace publicly announced his country was breaking away from its military alliance with the U.S.

[https://www.businessinsider.com/uk-abandoning-trump-iran-us-withdraw-leadership-world-qassem-soleiman2020-1?utm\\_source=reddit.com&r=U.S.&IR=T&utm\\_source=reddit.com](https://www.businessinsider.com/uk-abandoning-trump-iran-us-withdraw-leadership-world-qassem-soleiman2020-1?utm_source=reddit.com&r=U.S.&IR=T&utm_source=reddit.com)

There has also been a huge pushback by saner minds in the U.S. military-industrial establishment against the end-times fanatics centered around presidential son-in-law Jared Kushner and his Chabad cult. For example, U.S. Defense Secretary Mark Esper publicly denied claims by Trump that Iran was planning to attack U.S. embassies.

<https://www.reuters.com/article/us-iraq-security-usa/pentagon-chief-says-no-specific-evidence-iran-was-plotting-to-attack-four-us-embassies-idUSKBN1ZB0KM>

Pentagon sources say, "Despite the rhetoric, Trump has no choice but to pull U.S. troops out of Syraq, and eventually the Middle East."

The reason Trump has no choice is, among other things, financial. The U.S. has wasted over 7 trillion dollars on endless war in the region and is now running out of money. This is the \$7 trillion, by the way, that the Japanese were hoping to spend on ending poverty and stopping environmental destruction before the U.S. regime stole it from them.

There was a meeting between a representative of the White Dragon Society (WDS) and a senior Asian secret society leader last week to discuss, among other things, a plan for the bankruptcy reorganization of the U.S.

The plan calls for ...

... the U.S. military-industrial complex to provide hitherto hidden technology to the Asians in exchange for financial support for rebuilding the U.S. economy, WDS sources say.

The Asians, for their part, are wary of making deals with any European peoples because so many promises have been broken by them in the past. This is the result of past actions of Jewish supremacists who believe it's okay to deceive and cheat Goyim. You reap what you sow.

The WDS pointed out that Western civilization had a Dr. Jekyll and Mr. Hyde aspect to it, and the key was in making deals with the

good side of the West. It was explained to them that it was true that Asia, especially China, had experienced many humiliations and betrayals by the West. However, it was also true that while the West has long had the technical capability to kill all the Chinese, instead they transferred technology, industry, and know-how to them to help them develop and modernize.

The meeting also revealed there was a significant faction in the Chinese power structure who actually believe the Zionist nonsense that WW3 is needed in order to bring on a one world government and a one world religion. They were warned that this was a Zionist trap intended to kill 90% of the world's population and enslave the rest.

As an alternative, the WDS proposed that Canada and the rest of the Anglo-Saxon world be given a chance to help restore the U.S. system to peace and sanity. It was pointed out that England and Canada have historically kept their promises and acted with honour.

The discussions will continue, but the chances for world peace are now much higher now than the chances for World War. A higher-level meeting between representatives of the British Commonwealth, the P3 (the Romans or the Vatican), and the Asians has been proposed. We are now awaiting an answer from the Asians. The discussions will continue in February with the start of the Chinese New Year, the Asian side says.

In the meantime, expect more Zionist provocations in the South China Sea, North Korea, Africa, etc., none of which will achieve their goal of WW3.

There will also be a continuation of assassinations and sudden deaths of Zionist leaders, Pentagon and other sources promise. "Not lost in the Iran news cycle is the death of Zionist former longtime NBA Commissioner David Stern, and the death of Jewish LA billionaire Ron Burkle's son. Burkle was a guest on the Lolita Express, a Democratic fundraiser, and a friend of Hillary [Bill and Hillary Clinton] and Epstein," the sources note. "David Koch expired last August, and other billionaires on Epstein flight logs are Steven Spielberg, Tom Pritzker, Glenn Dubin, and Oprah Winfrey," they add.

The ancient Iran-based cult of assassins is undoubtedly going to avenge the murder of Soleimani. In the past, one of their assassins explained to this writer how they carefully infiltrate the households and families of their targets before making their move when it is least expected. Trump should have listened to the advice I once gave to a representative of North Korea's Kim Jong-Un: "The best way to avoid assassination is to not make enemies."

Speaking about avoiding assassination, Prince Harry of the UK has now come out publicly to say he fled to Canada to save his family from the same fate that befell his mother, Princess Diana.

Here is what a European royal had to say about the situation: "The whole thing is a disgrace and infuriating to us all. If the monarchy carries on like this, the people will show it the door. The matter will be managed carefully and correctly," the source said. However, it is already certain that Prince Charles will never succeed to the throne of England, he said. The Gnostic Illuminati, who oppose bloodline rule, will for their part try to exploit this situation to overthrow the British Monarchy. Given the huge popular support in the UK for this institution, they will probably fail, but in the meantime, the tabloids will have a feast.

Whatever trouble occurs in England, however, will be minor compared to what is happening in France. President Emmanuel Macron has been forced by large-scale demonstrations and strikes to back down on his plans to steal pension money from his people. However, the French are aware he stole the election that put him in power and that he does not work for the French people. Since French living standards are continuing to plummet, his regime will not be able to stabilize the situation. It's time for the French generals to take action before it is too late.

Another nation that might experience big change soon is Japan. The country's population is vanishing at the rate of 500,000 people per year. This is because nobody wants to have children in a land whose future has been hijacked by Zionist gangsters. The cabinet of Prime Minister Shinzo Abe is filled, according to insiders, with low-IQ morons. The result is that Japanese living standards are plunging and the country is filled with impoverished elderly people.

A sign of how incompetent the Japanese government is came with the entire saga surrounding the arrest and escape of former Nissan boss Carlos Ghosn. Several sources say the real reason Ghosn was persecuted was that he was planning to steal military secrets from Abe's sponsors in Mitsubishi Heavy Industries. If that was the case, they should have come out and said that. Instead, they fabricated ambiguous charges and made an international mockery of Japan's justice system.

Japan's police, in line with the U.S. and Japanese armed forces, are preparing to take power away from the Zionists and return it to the country's still-talented, albeit leaderless bureaucrats, according to right-wing sources close to the new Emperor.

On a final note this week, we are once again hearing rumblings about Antarctica and disclosure. A WDS envoy has been sent to meet a representative of the groups operating in Antarctica. We hope to have something to report about this next week.
